Ltd. before the West Bengal Real Estate Regulatory Authority (WBREERA), for extension of the Real Estate Project namely 'Anjali Green', with payment of fees for extension of the project which is twice the registration fees of the said project, by electronic transfer made to the Account of the WBREERA Authority;</p> <p>And Whereas the said project was registered under erstwhile West Bengal Housing Industry Regulatory Authority (WBHIRA) by WBHIRA Registration No. HIRA/P/NOR/2018/000188. The validity of the Registration of the said project expired on 31.12.2021. An extension of 9 (nine) months was granted by the erstwhile WBHIRA on account of the first wave of Covid 19 pandemic and the said extension of 9 months is going to be expired on 30.09.2022. As per the Applicant the aforesaid project cannot be completed within 30.09.2022 as the project got delayed for some bonafide reasons and therefore he prayed for an extension of 27 months (2 years and 3 months) of the validation of registration of the said project. As per him the grant of the extension of the project shall help the Applicant</p>	

to complete the remaining works of the said project and interest of every stake holders including the flat-buyers shall be protected upon extension of the registration of the said project. Therefore, the Applicant herein applied for extension of the Validity of the Registration of the said project for a period of 27 (Twenty-Seven) months from 01.10.2022 to 31.12.2024;

And Whereas an offline hearing has been held today at 4:00 p.m. and Shri Subhasis Paul, Senior Executive (Marketing) of the Applicant Promoter Company appeared before the Authority as Authorized Representatives of the said Applicant Promoter Company and signed the Attendance Sheet. At the time of hearing, he has explained the reasons for non-completion of the said project within the validity period of the Registration of the said project and prayed for an extension of 27 months to complete the said project and handover of the flats / units to the Allottees. He also explained with reasons that the delay was beyond the control of the Applicant Promoter Company;

And Whereas a Notarized Affidavit-cum-Declaration dated 29.08.2023 has also been submitted by the Applicant herein, explaining the reasons for seeking extension of the instant project. As per the Applicant, in spite of his utmost effort, he could not complete the construction of the project in all respect within the validity period of the aforesaid project that is within 30.09.2022 due to various reasons including the following :-

- a) As the effects of covid-19 pandemic were felt around the world, real estate companies were being impacted in different ways. Whereas, as part of its efforts to deal with this Corona Pandemic, the Govt. of India has ordered a shutdown / lockdown in the whole country from 25.03.2020, whereby many economic activities including the development of real estate projects, got disrupted or severely affected. This Corona pandemic and the all-out measures taken to control it had necessarily affected the availability of human, physical and financial resources for real estate projects and given rise to uncertainties and practical difficulties that had cost a delay in the completion of real estate projects. Dampened consumer sentiments and capacities to buy real estate and their effect on the already precarious liquidity position of real estate projects has also contributed to such delays. For a labour-intensive industry such as real estate, the reverse migration of labours

during and after the corona pandemic was really challenging. Due to the restrictions and impositions of lock down in various intervals in the year 2020 and 2021, the Applicant Promoter was severely affected by shortage of manpower due to migration of labourers, obstacles in supply chain due to many hurdles of restrictions timings in day-time / night curfews.

- b) The said project could not be completed within the scheduled timeline for the slowdown in the construction process with the active interference of the virus namely Covid-19 followed by the first and second wave. The nationwide lock down and subsequent restrictions resulted in many of the workers returning to their hometowns and facing difficulties in returning promptly to the construction site, as a result there was a considerable delay in labour availability, which directly affected the construction activities and the latches for the delay was unintentional delay as per the Applicant.

And Whereas, after careful examination of the submissions of the Authorized Representatives of the Applicant on Notarized Affidavit and supporting documents on Affidavit, submitted by the Applicant and placed on record, this Authority is of the considered view that the delay in completion of the instant project is not due to any default or negligence on the part of the Applicant and the extension prayed by the Applicant is urgently required for completion of the said project, for obtaining the Completion Certificate from the Competent Authority and handover process of the completed flats / units to the Allottees;

Now Therefore, in exercise of the power conferred under section 6 of the Real Estate (Regulation and Development) Act, 2016 read with Rule 7 of the West Bengal Real Estate (Regulation and Development) Rules, 2021, this Authority is pleased hereby to allow extension of the Registration of the instant project namely '**Anjali Green**' for a period of 21 months (1 Year and 9 months) from **01.10.2022** to **30.06.2024**. The extension of 21 (Twenty-One) months is granted on the ground of force majeure condition created by Covid-19 Pandemic in exercise of the power conferred in first paragraph of section 6 of the RERA Act, 2016.

This extension shall not affect the rights and interests of the allottees of the said project. If this extension is not granted then interest of the allottees will be seriously affected and the extension is also required for obtaining Completion Certificate from the Competent

Authority. Therefore, this extension is hereby granted as a **Special Case** and this order should not be treated as a precedent in any other case of extension of project;

Applicant is hereby directed to submit immediately an online application for Extension of Registration of the Project named '**Anjali Green**' as per **Form E** of the West Bengal Real Estate (Regulation and Development) Rules, 2021, in the WBRERA website by using their login id and password by which he had applied for Application for Registration of the said Project;
