reasons including the following but not limited to:-

- a) The prolonged impact of the pandemic significantly impacted and hindered normal construction activities, resulting in substantial delays in their project timeline; and
- b) The scarcity of labour and disruptions in the supply chain for construction accessories and equipment, compounded the impediments to progress; and
- c) The financial strains exacerbated the project delays, making adhering to the initially projected completion period challenging; and
- d) As a result of non-completion of the project within the validity of the registration period, would lead to the following difficulties faced by the Promoter including their customers who have agreed to purchase Apartments in their said project:-
 - (i) Their Banker will suspend the operation of the project account due to a lapse of the validity of the project registration period and as a result of such they would be unable to meet their project expenses and would face tremendous financial hardship.
 - (ii) The aforesaid circumstances of non-payment to their vendors and contractors who are engaged in the said project, the same will lead to further delay, and ultimately the customers of the project will suffer a lot.
 - (iii) They apprehend that dues from their customers who availed home loan for the purchase of flat will not be disbursed by their respective Banker due to the aforesaid reason of expiry of the registration period of their project and this will complicate and/or jeopardize the entire situation.
 - (iv) That lapse of validity of registration will badly affect to liquidation of their unsold stock as the purchasers of the same will not be getting home loans either from a bank/financial institution for the purchase of said flats; and
- e) As per the Applicant, the project activity is at the highest speed to recover the loss time, moving for completion, and upon obtaining the revised validity from WBRERA, they intend to ensure compliance with all statutory requirements and maintain the brand reputation they have diligently built over the years.

The Applicant also stated in their said Affidavit that rights and interests of the existing Allottees will not be affected by this extension.

And Whereas, after careful examination of the Notarized Affidavit and supporting documents on Affidavit, submitted by the Applicant and placed on record, this Authority is of the considered view that there is a delay in the completion of the instant project and an extension is urgently required to safeguard the interest of the Allottees/Home buyers and for completion of the said project, for obtaining the Completion Certificate from

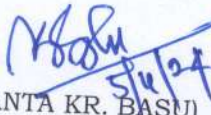

the Competent Authority and for handover process of the completed flats/units to the Allottees;

Now Therefore, in exercise of the power conferred under section 6 of the Real Estate (Regulation and Development) Act, 2016 read with Rule 7 of the West Bengal Real Estate (Regulation and Development) Rules, 2021, this Authority is pleased to take the decision unanimously to grant the extension of the Registration of the instant project namely '**Natural City Bardhaman Phase III**' for a period from **01.07.2024** to **16.04.2027**. If this extension is not granted then interest of the allottees will be seriously affected and the extension is also required for obtaining Completion Certificate from the Competent Authority. Therefore, this extension is hereby granted as a **Special Case** and this order should not be treated as a precedent in any other case of extension of project;

Secretary, WBRERA is hereby directed to issue a System Generated Certificate for Extension of Registration of the said Project as per **Form F** of the West Bengal Real Estate (Regulation and Development) Rules, 2021, for a period from **01.07.2024** to **16.04.2027**;
