Subject: Request for Amendment of Completion Date for Project 'Orbit Tarang'

Respected Sir/Madam,

I, Vijay Narayan Rathi, as the authorized signatory and representative of Orbit Tirupati Towers Private Limited, am writing to bring to your attention an oversight regarding our project 'Orbit Tarang' located at 5A, Seals Garden Lane, Kolkata-700002. The project received approval from the WBREERA authority on September 8, 2023, with the registration number WBREERA/P/KOL/2023/000513.

Upon careful review of the registration certificate, it has come to our attention that an incorrect completion date, namely 31st May 2026, was inadvertently stated in Form B and the designated input section. However, the sale agreement we submitted accurately reflects the intended completion date of 31st March 2028.

We kindly request the WBREERA Authority to consider and approve the amendment of the completion date to ensure accurate representation in the portal and to uphold the project's credibility.

We would like to emphasize that no bookings have been initiated for the project at this time.

Enclosed herewith is the revised Form B, reflecting the corrected completion date for your perusal.

We sincerely hope that you will take our situation into consideration and grant approval for the modification of the completion date in Form B. Thank you for your anticipated cooperation and timely attention to this matter.

Yours faithfully and regards,
FOR ORBIT TIRUPATI TOWERS PVT. LTD.
