**SUB: Submission of Address Proof for Application of Registration of Real Estate Agent**

**Re: Application No. WBRERA/R-000125**

Sir,

We have submitted an Application for Registration of Real Estate Agent of our Company, namely Compass Tradelink Private Limited. We are hereby submitting the attested copies of the current MCA status for our Company, GST Registration Certificate and Trade License of our Company, evidencing our current registered address as "Rawdon Enclave", 1<sup>st</sup> Floor, 10A Rawdon Street, Kolkata – 700 017. We currently do not possess any other address proof with us.

We request you to kindly allow us to submit the abovementioned GST Registration Certificate, Trade License and Current MCA status of our Company as address proof against our application for application of registration of real estate agent.

Also, in response to your query for dual application (being No. WBRERA/R-000127 for Nightangle Traders Pvt. Ltd.) with the same directors being Mr. Ayush Khaitan and Mr. Anshul Khaitan, we would like to state that we are engaged in the business of Real Estate Consultancy and Agency services. Despite having the same Directors, the two applicant Companies being Compass Tradelink Private Limited and Nightangle Traders Private Limited are two separate legal entities and we require separate and unique Real Estate Agent registration for both of the Companies.

Thanking You,

For Compass Tradelink Private Limited
