Dear Sir,

With reference to our RERA registration certificate no. WBRERA/P/SOU/2024/001540 ending date 30/09/2024 we wish state that process of application for procurement of Completion Certificate was initiated and deposited in the month of January 2023 by the Project Architect, M/s Sanyalson Associates Consultant Pvt. Ltd as per Rajpur Sonarpur Municipality standard procedure.

We are yet to receive the Project Completion Certificate as the whole process for Sanction Plans processed on the basis of old municipal by-laws are not currently being accepted in the Rajpur Sonarpur Municipality's new OBPAS (online sanction process) system.

Though we have completed all our construction work and we are currently only awaiting to be issued the completion certificate for no delay/fault from our side.

We therefore humbly request you to kindly consider an extension of the Project Timeline without any penalties or extra cost.

Thanking You
