Plans for Water Supply (unpressurized) including SELL, G. & O. H. reservoirs should be submitted to the Office of the Engineer Water Supply, Department of Public Works, City of Chicago, 100 North Dearborn Street, Chicago, Illinois 60602. Any deviation may lead to disconnection/demolition.

Design of all Structural Members and Connections should conform to Standards specified in the National Building Code of Chicago.

The location of the proposed structure should be shown on the site plan. Engineers make no admission as to the correctness of the plan.

As recommended by M. A. B.
Meeting No. 5710
Item No. 5710-21
Based on 10-01-2010

REVISIONS TO BE MAINTAINED TO PREVENT CONFLICTS AS REQUIRED BY THE NATIONAL BUILDING CODE OF CHICAGO, U.S.A. WATER COLLECTION & PARTICULARLY UFT, WELLS, WATER TREATMENT PLANTS, OPEN RECEIPTS, ETC. MUST BE REPORTED COMPLETELY TWICE A WEEK.

Before starting any construction the site must conform with the plans submitted. The validity of the written permission to construct is subject to the above conditions.

The building materials that will be used in the construction of this building should be approved by the City Engineer, Office of the Engineer Water Supply, Department of Public Works, City of Chicago, 100 North Dearborn Street, Chicago, Illinois 60602. Any deviation may lead to disconnection/demolition.

A suitable pump has to be provided for pumping untreated water for the distribution to the flushing cisterns and urinals in the building. Messengers untreated water from street mains is prohibited.

No rain water pipe should be fitted or connected to the drainage system. Drainage plan should be submitted to the Building Department for approval. Proceeding with the drainage work.

THIS PLAN IS VALID UP TO 10/01/2010

APPROVED BY: M. A. B.
Date: 10/01/2010

All Building Materials to be used in the construction of this building should conform to the National Building Code of Chicago.

Notes: Commencement of Erection of Building shall require a permit from the City Engineer, Office of the Engineer Water Supply, Department of Public Works, City of Chicago, 100 North Dearborn Street, Chicago, Illinois 60602.

Approved by the City Engineer, Office of the Engineer Water Supply, Department of Public Works, City of Chicago, 100 North Dearborn Street, Chicago, Illinois 60602.

...everywhere should be taken or the safety of the lives of the people living in the building and private property being constructed.
