

INDEPENDENT AUDITORS' REPORT

TO THE PARTNERS OF AMBUD DEVELOPERS LLP

1. Report On The Financial Statement

We have audited the accompanying financial Statements of **AMBUD DEVELOPERS LLP**, which comprise the Balance Sheet from as at 31st March, 2020 and the Statement of Profit & Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statement

Management is responsible for the preparation and presentation of these financial statements that give a true and fair view of the financial position and financial performance of the LLP in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the act for safeguarding the assets of the LLP and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Limited Liability Partnership Act, 2008, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the LLP as at 31st March, 2020 and its Loss for the year ended on that date.

1. NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

ACCOUNTING POLICIES

(a) Method of Accounting :

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013. The financial statements are prepared on accruals basis under the historical cost Convention and are presented in Indian rupees.

(b) Use of estimates :

The Preparation of Financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and the result of operation during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates.

(c) Revenue Recognition :

Revenue is recognized on an accrual basis.

(d) Income Taxes :

Tax expenses comprises of Current and Deferred tax. Tax expense comprises of current income tax which is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax act, 1961. Deferred income taxes reflect the impact of Current year timing differences between taxable income for the year and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profits for the year is accounted for using the tax rates and laws that have been substantially enacted as of the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the LLP has carried forward unabsorbed depreciation and tax losses, deferred tax assets are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient taxable income will be available against which such deferred tax assets can be realized.

(e) Provisions :

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions made in terms of AS 29 are not discounted to its present value and are determined based on management estimate required to settle the obligation, at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.
