**NOTE: 1 SIGNIFICANT ACCOUNTING POLICIES & NOTES TO THE ACCOUNTS**

(Forming integral part of Balance Sheet as at 31st March 2023 and Statement of Profit & Loss for the year ended as on that date)

**1. SIGNIFICANT ACCOUNTING POLICIES :**

**1.1. Basis of Preparation of Financial Statements:**

The Company is a Small and Medium Sized Company (SME) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 2013. Accordingly, the company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company, for the year under review.

The financial statements are prepared on going concern assumption and under the historical cost convention, in accordance with generally accepted principles (GAAP) in India and the provisions of the Companies Act, 2013

All the assets and liabilities have been considered and classified by the company as current or non-current as per Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

**1.2. Use of Estimates:**

The Presentation of financial statements requires estimates and assumption to be made that effect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which results are known / materialised.

**1.3. Property, Plant and Equipment**

- ii) Refer Note 1.10 below

**1.5. Revenue Recognition**

Expenses and income are generally accounted for on accrual and prudent basis.

**1.6. Employee benefits**

The management has confirmed that there is no liability for retirement benefits / leave encashment benefits and therefore AS-15 (revised) is not applicable to the company, for the year, and relied by the auditors accordingly.

**1.7. Taxation / Deferred Tax**

- (i) In absence of taxable income, provision for income tax has not been made.
- (ii) In view of uncertainty of sufficient future income adjustments for Deferred Tax Assets and Liabilities have not been made in Accounts. The same will be recognised in future. The amounts have not been ascertained as stated by the management.

As per the terms till the completion of the Development of the said land, all expenses (either in nature of Capital or revenue) shall be wholly borne by the company and accordingly the company is treating all such payments/expenses towards development of the land as "project in progress" in its Balance Sheet.
