Respected Sir,

The plan of development works to be executed in the proposed project and the proposed facilities to be provided thereof including fire-fighting facilities, drinking water facilities, emergency evacuation services, use of renewable energy in our project "DIPTI APARTMENTS" is as follows:

Stage wise Development Plan:

Project Specifications:

- 1. Fire-Fighting:** As per the Rules, Regulations & Guidelines set out by the Fire Control Department we are exempt from registering under the Authorities. But in our good conscience we are committed towards the safety of the residents of **DIPTI APARTMENTS** and hence we will install a capacity of **9KG Dry Chemical Powder Fire Extinguisher** in each Floor.
- 2. Drinking Water Facility:** Clean and Safe Drinking water is of utmost importance for personal hygiene. Also uninterrupted water supply is one of the basic needs for human life. In view of the above we have installed a Bore Well connected to a overhead Tank connecting all over the premise.
- 3. Emergency Evacuation services:** For emergency such as natural disasters we have provided a staircase for smooth and hassle free exit.
- 4. Use of Renewable Energy:** All our energy demands are met by West Bengal State Electricity Distribution Company Limited.
