1850 Nov 14th Wed

The first thing I did when I got up  
 on the morning of the 14th was to  
 look out of the window and see  
 what the world was like. It was  
 very different from what I had  
 seen before. The houses were  
 all built of brick and were  
 very tall. The streets were  
 very wide and were paved  
 with stones. The people were  
 all dressed in fine clothes  
 and were very polite. I was  
 very much surprised to see  
 that the people here were  
 all so different from the  
 people of my own country.
