Sir,

The plan of Development Work to be executed in the proposed project and the proposed water facility to be provided are:-

1. Boring water through submersible pump for common use.
2. S.D.D.M. Fresh water supply in kitchen for drinking.
3. Fire fighting facilities available in each floor.
4. Emergency exit also available in this project.

Thanking you,

SHREE SHYAM DEVELOPERS

Aayush Tekrind.
