

ADDITIONAL REGISTRAR
OF ASSURANCES - KOLKATA
15 JUL 2020

SECTION-5: CRITERIA FOR EVALUATION

5.1 Evaluation Parameters

The bidder's competence and capability is proposed to be established by the following parameters:

- Technical Criteria; and
- Financial Criteria.

5.2 Technical Criteria for purposes of evaluation

5.2.1 For demonstrating technical capacity and experience (The "Technical Capacity"), the Applicant shall, over the past 10 (Ten) financial years preceding the Application Due Date, have:

5.2.1.1 Paid for development of Eligible Project(s) in Category 1 and/ or Category 2 as specified below; and/or

5.2.1.2 Collected and appropriated revenues from Eligible Project(s) in Category 1 and/ or Category 2 as specified below;

Such that the sum total of the above is more than INR 160 crores (the Threshold Technical Capacity)

Provided that at least one fourth of the Threshold Technical Capacity shall be from the eligible projects in category 1 as specified in 5.2.2. below.

5.2.2 Subject to the provision of point 5.2.1 above, the following categories of experience would qualify as Technical Capacity eligible experience (the "Eligible Experience") in relation to Eligible projects as stipulated in clause 5.2.3 below:

Category 1: Project Development/ Construction Experience on Eligible Projects in Real Estate Sector

ADDITIONAL REGISTRAR
OF ASSURANCES-I, KOLKATA
15 JUL 2020

Category 2: Project Development/ Construction Experience in Eligible Projects in Core Sector

For the purpose of qualification:

1. Real Estate Sector would be deemed to include Integrated/Standalone Township, Commercial Complex, Residential Complex, Institutional Building, Industrial Parks and Logistic Park; and
2. Core Sector would be deemed to include Highway, Power, Telecom, Ports, Airports, Railway, Metro Rail, Pipeline, Irrigation, Water Supply and Sewerage.

5.2.3 Eligible Experience in respect of each category shall be measured only for Eligible Projects

5.2.4 For a project to qualify as an Eligible Project:

5.2.4.1 the entity claiming experience should have held, in the company owning the Eligible Project, a minimum of 26% (twenty six per cent) equity during the entire year for which Eligible Experience is being claimed;

5.2.4.2 the capital cost of the project should be more than INR 40 crores.

5.2.4.3 the entity claiming experience shall, during the last 10 (ten) financial years preceding the Application Due Date, have (i) paid for development/construction of the project (excluding the cost of land), and/ or (ii) collected and appropriated the revenues from users.

5.2.4.4 The Applicant shall quote experience in respect of a particular Eligible Project under any one category only, even though the Applicant (either individually or along with a member of the Consortium) may have played multiple roles in the cited project. Double counting for a particular Eligible Project shall not be permitted in any form.

5.2.4.5 Experience for any activity relating to an Eligible Project shall not be claimed by two or more Members of the Consortium. In other words, no double counting by a Consortium in respect of the same experience shall be permitted in any manner

ADDITIONAL REGISTRAR
OF ASSURANCES-I KOLKATA
15 JUL 2020

whatsoever.

5.3 Financial Criteria for the purpose of evaluation

- 5.3.1 The bidder should have minimum Net Worth of INR 30,00,00,000/- (Indian Rupees Thirty Crores only) as per the last audited annual accounts (FY 2014-2015 or in case audited reports are not available, FY 2013-2014).
- 5.3.2 The financial year shall mean year starting 1st April to 31st March. In case of a Consortium, the combined technical capability and net worth of all the members (subject to maximum three), should satisfy the above conditions of eligibility and the Lead Member should meet 50% of Technical & Financial Criteria mentioned in clause 5.2.1 and clause 5.3.1 respectively.
- 5.3.3 The bidder shall have to submit audited balance sheets pertaining to the period for which Networth is being claimed..

In computing the Technical and Financial Capacity of the Bidder the Capacity of their Associates would be eligible provided however that the Bidder shall provide Board Resolution (as per format provided in Annexure XII) and Letter of undertaking (Annexure XIII) in respect thereof, from such Associate.

5.4. Evaluation of Bids

5.4.1 Evaluation of Technical Bids

The Technical Bids of bidder shall be evaluated by the Bid Evaluation Committee from the following aspects:

- ❶ Prior to the detailed evaluation of the bid, the Bid Evaluation Committee shall determine whether each bid: a) has complied with the requirement of Bid Security of requisite amount and in appropriate manner, b) is substantially responsive to the requirements of the RFP.
- ❷ Meets/conforms to all terms, conditions and stipulations of the RFP including the Minimum Eligibility Criteria, without any material deviation.

15 JUL 2020

- The bid is accompanied by the required annual reports, documents, audited statements, experience certificates as stipulated in the RFP documents including all forms as annexed.
- WBHIDCO//Lessor shall evaluate the Technical Bid to determine whether technical aspects are in accordance with the requirements set forth in the RFP documents. WBHIDCO/ /Lessor shall examine the following:
 - o Overall conformity and compliance with the requirement of the Bid
 - o Concept Plan, Implementation schedule, Area statement are furnished appropriately as stipulated in Annexure C1 and comply to Applicable Guidelines and Standards in the manner as stipulated.
 - o Implementation Plan which should demonstrate that the bidder shall achieve the performance standards, Minimum Development Obligation and milestones within the time frame.

If the bidder fulfils all the requirements of the Technical Bid, the bid shall be deemed as qualified. The bidders who meet all the requirements of the Technical Bid shall be treated equally and all the qualified bidders shall be at par while considering their Financial Bid. Non submission of the specified documents including formats may result in bid being treated as non responsive.

5.4.2. Declaration of the Qualified Bidder

Upon conclusion of the evaluation of the Technical Bids of all the bidders, the name of the bidders, whose technical bids are found to be responsive, shall be declared as Qualified Bidder and the names of the qualified bidders shall be uploaded on www.wbhidcoltd.com.

5.5. Selection of the Selected Bidder

- i. On the day of e-Auction which will be held on date as mentioned under clause 1.2 from 11.30 AM onwards, the bidder has to visit the e-Auction website viz. www.eauction.go and click on the link for WBHIDCO e-Auctions. It has to login

15 JUL 2020

with User Id and Password. In the next page, the bidder has to click on the link "View Live e-auctions" and click on the link with the e-Auction number for this e- Auction.

- ii. The bidder shall be required to record its acceptance of e-Auction terms & conditions with its DSC and then only the bidder can have access to the bidding area.
- iii. There will be a "Start Price" for e-bidding for the Project, which will be notified on or before the e-auction date & time. Start Price will be mentioned in the e-Auction floor for the entire plot in INR Lakh. Bidder have to bid above the Starting Price.
- iv. The bidding for the plot shall be in INR Lakh and in multiples of Ten Lakhs. Thus to bid an amount of INR 10 lakhs, a bidder needs to type 10 in the space provided for bidding and click on the BID button. It is however made clear that the "Start Price" is not the Reserve Price.
- v. The bid has to be signed by the bidder with its DSC.
- vi. The bidder shall be solely responsible for all consequences arising out of the bid submitted by him/her (including any wrongful bidding by him/her) and no complaint/representation will be entertained by WBHIDCO /NIC/Lessor in this regard. Hence bidders must be careful to check (the Bid Amount/ No. of Zeroes/No. of Digits/Unit of measurement/etc.) rectify their bid (if required) before submitting their bid into the live e- auction floor by clicking the 'BID' button.

The bidder quoting the final bid shall be declared as the Selected Bidder (the "Selected Bidder") and the final price quoted by him shall be declared as the Highest Financial Bid, provided that the Financial Bid is not below the Reserve Price.

5.6 Submission of Performance Security

- a. For securing the due and punctual performance of its obligations relating to the Project as per the terms and conditions of this RFP, the Preferred Bidder/ Lessee shall, within 45 days of the date of issue of the LOI, deliver to WBHIDCO an unconditional

ADDITIONAL RECEIPT
TO RECEIPT NO. 1, KUALA
15 JUL 2020

and irrevocable bank guarantee, issued by a nationalized bank or a scheduled bank in India having a net worth of at least Rs 1000 crores, for a sum equivalent to 10% of the Financial Bid quoted by the Preferred Bidder and accepted in favour of the WBHIDCO from a Scheduled Bank and payable and enforceable at Kolkata, in the format specified in the RFP document (the "Performance Security"). The Performance Security shall be maintained by the Preferred Bidder/ Lessee for such time period as set forth in Draft Lease Agreement.

- b. Failure of the Preferred Bidder to comply with the requirement of clause 5.5 shall entitle the Authority/Lessor to cancel the LOI and forfeit the Bid Security of the Preferred Bidder.

5.7 Validity of Bid:

All bids shall remain valid for 180 days from the date of closing of e-auction, excluding the date of closing. In case the 180th day falls on a holiday or remains closed for NIC, such bids will be deemed to be automatically extended to be valid upto the next working day of NIC.

5.8 Force Majeure:

WBHIDCO/ Lessor shall not be liable for any failure or delay in performance due to any cause beyond their control including fires, floods, strikes, go-slow, lock-out, closure, dispute with staff, dislocation of normal working conditions, War, riots, epidemics, political upheavals, Governments actions, civil commotion, breakdown of machinery, shortage of labour, Acts, demand or otherwise or any other cause or condition beyond the control of aforesaid causes or not and the existence of such cause or consequence may operate at the sole discretion of WBHIDCO Ltd./ Lessor to extend the time of performance on the part of WBHIDCO/ Lessor by such period as may be necessary to enable WBHIDCO/ Lessor to effect performance after the cause of delays will have ceased to exist. The provisions aforesaid shall not be limited or abrogated by any other terms of the contract whether printed or written.

ADDITIONAL REGISTRAR
OF ASSURANCE, KOLKATA
15 JUL 2020

5.9 Dispute resolution

The entire bidding process shall be governed by, and construed in accordance with, the laws of India and Courts at Kolkata shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the bidding process, the subsequent lease and the entire transaction, to the exclusion of all other courts in the world.

ADDITIONAL REGISTRAR
OF ASSURANCE & I KOLKATA
15 JUL 2020

SECTION-6: CORRUPT OR FRAUDULENT PRACTICES

- 6.1 The bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process and subsequent to the issue of the LOI and during the subsistence of the Lease Deed. Notwithstanding anything to the contrary contained herein, or in the LOI or the Lease Deed. WBHIDCO/ UD shall reject a bid, withdraw the LOI, or terminate the Lease Deed/ Development Agreement, as the case may be, without being liable in any manner whatsoever to the Selected Bidder or SPV, as the case may be, if it determines that the Selected Bidder or SPV, as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process. In such an event, WBHIDCO/ UD shall forfeit and appropriate the Bid Security, as the case may be, as mutually agreed genuine pre-estimated compensation and damages payable to WBHIDCO/ UD towards, inter alia, time, cost and effort of WBHIDCO/ UD, without prejudice to any other right or remedy that may be available to WBHIDCO/ UD hereunder or otherwise.
- 6.2 Without prejudice to the rights of WBHIDCO/ UD under clause 6.1 hereinabove and the rights and remedies which WBHIDCO/ UD may have under the LOI or the Lease Deed, if a bidder or SPV, as the case may be, is found by WBHIDCO/ UD to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, or after the issue of the LOI or the execution of the Lease Deed, such bidder or SPV shall not be eligible to participate in any tender or RFP issued by WBHIDCO/ UD during a period of 2 (two) years from the date such bidder or SPV, as the case may be, is found by WBHIDCO/ UD to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practices, as the case may be.
- 6.3 For the purposes of this Clause 6, the following terms shall have the meaning hereinafter respectively assigned to them:

ADDITIONAL REGISTRAR
OF ASSURANCES-I, KOLKATA
15 JUL 2020

- (a) “**corrupt practice**” means (i) the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of WBHIDCO/ UD who is or has been associated in any manner, directly or indirectly with the Bidding Process or the LOI or has dealt with matters concerning the Lease Deed/ Development Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one (1) year from the date such official resigns or retires from or otherwise ceases to be in the service of WBHIDCO/ UD, shall be deemed to constitute influencing the actions of a person connected with the Bidding Process); or (ii) engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOI or after the execution of the Lease Deed(s), as the case may be, any person in respect of any matter relating to the Project or the LOI or the Lease Deed Agreement, who at any time has been or is a legal, financial or technical adviser of WBHIDCO/ UD in relation to any matter concerning the Project;
- (b) “**fraudulent practice**” means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process;
- (c) “**coercive practice**” means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any person’s participation or action in the Bidding Process;
- (d) “**undesirable practice**” means (i) establishing contact with any person connected with or employed or engaged by WBHIDCO/ UD with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or (ii) having a Conflict of Interest; and
- (e) “**restrictive practice**” means forming a cartel or arriving at any understanding or arrangement among bidders with the objective of restricting or manipulating a full and fair competition in the Bidding Process.

15 JUL 2020

SECTION-7: PRE-BID MEETING

- 7.1 A pre-bid meeting shall be held at Kolkata at the details given below.
- Date:** Refer Clause 1.2
- Time:** Refer Clause 1.2
- Location:** Refer Clause 1.2
- 7.2 The purpose of the pre-bid meeting will be to clarify queries of the bidders related to the Project and RFP, if any. The bidder is advised, as far as possible, to submit the queries through e-mail to krittibas.nayek@wbhidco.in and the same should reach WBHIDCO as per schedule given in Clause 1.2. Clarifications to the queries shall be posted in the WBHIDCO website and will subsequently form an addendum to this RFP.
- 7.3 During the course of pre-bid meeting, the bidders will be free to seek clarifications and make suggestions for consideration of WBHIDCO. WBHIDCO shall endeavour to provide clarifications and such further information as it may, in its sole discretion, consider appropriate for facilitating a fair, transparent and competitive Bidding Process.

KEMENTERIAN KESEHATAN
JANAKA SURABAYA, KOTA SURABAYA
15 JUL 2020

SECTION-8: MISCELLANEOUS

- 8.1 The Bidding Process shall be governed by, and construed in accordance with, the laws of India and the Courts at Kolkata shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the Bidding Process in exclusion of any other jurisdiction specified under the any other Act(s), Rule(s) and notification(s).
- 8.2 WBHIDCO/Lessor, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to;
- (a) suspend and/ or cancel the Bidding Process and/ or amend and/ or supplement the Bidding Process or modify the dates or other terms and conditions relating thereto;
 - (b) consult with any Bidder in order to receive clarification or further information;
 - (c) retain any information and/ or evidence submitted to WBHIDCO by, on behalf of, and/ or in relation to any bidder; and/ or
 - (d) independently verify, disqualify, reject and/ or accept any and all submissions or other information and/ or evidence submitted by or on behalf of any bid.
- 8.3 It shall be deemed that by submitting the bid, the bidder agrees and releases WBHIDCO/Lessor, its employees, agents and advisers, irrevocably, unconditionally, fully and finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder, pursuant hereto and/ or in connection herewith and waives any and all rights and/ or claims it may have in this respect, whether actual or contingent, whether present or future.
- 8.4 **No right to accrue**
- No right shall accrue in favour of the Selected Bidder, till execution of Lease Deed is made in favour of such bidder after Land Premium, is received and the bidder is otherwise not in breach of any of the terms and conditions herein contained.

Re: RFP for International Competitive Bidding for Teesta Theme Township Project at
Dabgram, Siliguri , West Bengal

Dear Sir,

We are submitting this bid on our own. (or)

We are submitting this bid as the Lead Member of a Consortium consisting of the following members, for and on behalf of the Consortium

S. No.	Names of Consortium Members	Address
1. (Lead Member)	
2. (Member)	
3. (Member)	

As a Lead Member, we understand the obligations of the Lessee to implement the Project.
We are enclosing Consortium Agreement signed by all the members of the Consortium,
nominating and authorizing us to act as 'Lead Member' for implementing the Project.

ADDITIONAL REGISTRAR
OF ASSURANCES-1 KOLKATA
15 JUL 2020

1. Having visited the site and examined the RFP Documents, for the execution of the Agreement for the captioned project, we the undersigned offer to Design, Construct, Develop, Finance, Operate and Maintain the whole of the said Project in conformity with the RFP.
2. This bid and written acceptance of it by WBHIDCO/UD shall form part of the Lease Deed to be signed between the Lessee and Lessor. If selected as Lessee Agreement, we understand that it is on the basis of the technical, financial and organizational capabilities and experience of the bidder taken together. We understand that the basis for our qualification will be the complete bid documents submitted along with this letter, and that any circumstance affecting our continued eligibility as per RFP, or any circumstance which would lead or have lead to our disqualification, shall result in our disqualification under this Bidding Process.
3. We agree that -
 - if we fail to offer/ provide required facilities to WBHIDCO or its' Authorised Representative for carrying out the inspection of works, operations and performance or
 - if we fail to meet the Minimum Development Obligations and/or technical specifications and/or the performance standards according to the conditions/ stipulations of the RFP/Lease Deed Agreement,WBHIDCO and/or Lessor or its' representative shall be at liberty to take action in accordance with the Lease Deed and/or RFP.
4. We undertake, if our bid is accepted, to complete the Project, commence operations and manage as per the RFP.
5. We agree to abide by this bid for a period of 180 days from the Due Date fixed for receiving the same and it shall remain binding upon us and may be accepted at any time before the expiry of that period.
6. We declare that we/ any member of our Consortium (delete as applicable) are/ is not a member of a/ any other consortium submitting a bid for the Project.

ADDITIONAL REGISTRAR
OF ASSURANCES-I KOLKATA
15 JUL 2020

7. We undertake that in case due to any change in facts or circumstances during the bidding process, we are attracted by the provisions of disqualification in terms of the provisions of this RFP, we shall intimate WBHIDCO and Lessor of the same immediately.
8. In the event of our bid being accepted, we agree to enter into a formal Lease Deed with the Lessor incorporating the conditions of the bid including the draft Lease Deed hereto annexed and written acceptance thereof.
9. We acknowledge that I/ We qualified on the basis of Technical Capacity and Financial Capacity required as per the RFP.
10. We hereby irrevocably waive any right which we may have at any stage at law or howsoever otherwise arising to challenge or question any decision taken by WBHIDCO/Lessor in connection with the selection of the bidder, or in connection with the selection/ Bidding Process itself, in respect of the above mentioned Project and the terms and implementation thereof.
11. We offer a Bid Security of INR. ____/- (Indian Rupees ____ only) in accordance with the RFP.
12. We agree that if we fail to fulfill any of the conditions mentioned in the RFP Document, WBHIDCO/Lessor has the right to forfeit the Bid Security being furnished by us along with this bid.
13. We understand that WBHIDCO /Lessor is not bound to accept any or all bids it may receive.
14. We agree that, if we are selected, the Lease Deed shall be executed with the SPV to be formed after full payment of Land Premium to WBHIDCO/Lessor.
15. We declare that we have disclosed all material information, facts and circumstances, which would be relevant to and have a bearing on the evaluation of our bid and selection as Lessee.
16. We agree and undertake to abide by all the terms and conditions of the RFP.
17. We declare that in the event that WBHIDCO/Lessor discovers anything contrary to our above declarations, it is empowered to forthwith disqualify us

and our bid from further participation in the bid evaluation process and forfeit our Bid Security.

18. We certify that in terms of the RFP, our Net Worth is INR ____/- (Indian Rupees _____ only) as on _____.

Annexure C4 – Project Brief

The Siliguri Jalpaiguri Planning Area (SJPA) is an important urban agglomeration in the north of West Bengal, situated at a strategic location and acting as a gateway to the North-Eastern states of India. It serves as the distribution and collection centre for the entire region, which is rich in natural and human resources. Vision 2025 of the Siliguri Jalpaiguri Planning Area (SJPA) envisages that the region shall act as the major centre in North Bengal enhancing the ‘Quality of Life’ within the area as well as West Bengal. This is proposed to be achieved through economic development and consequential creation of employment opportunities by way of promotion of entrepreneurship and encouragement of innovations, leading to conscious social equity. Side by side improved infrastructure and services, shelter for all, health and hygiene along with social amenities, encouraging the development of the body and the mind within an ecologically sustainable framework have been envisaged. It is in this background that the Government of West Bengal has decided to develop a new township at Dabgram near Siliguri.

The proposed site is situated in an excellent strategic location. The region caters to the of tourist interest in the Himalayas, travel and trade with neighbouring countries of Nepal, Bangladesh and Bhutan and hosts a large base for Border Security Force, Indians Air Force, Army and Central Reserve Police Force. The Asian Highway-2 is passing through the area connecting Nepal and Bangladesh through Border Points at Panitanki and Fulbari respectively. Asian Development Bank has already taken up the project of development of connecting highway and Land Customs Stations at the above locations. The site is only seven kms from the core city of Siliguri and 4 kms from Jalpaiguri.

The city of Siliguri has certain key physical constraint to accommodate future growth in terms of natural barriers. The city is bounded with tea gardens, forest and natural resources in north-west whereas Baikunthapur reserve forest is located north-east direction which resulted into two future probable growth directions towards

ADDITIONAL REGISTRAR
OF ASSURANCES-I, KOLKATA
15 JUL 2020

west, south and south-east directions. At present it is expanding towards north and western direction. Major development observed at west side along NH31C which is mainly attributed towards the presence of airport and availability of land parcel. However the region in west and north-west side is dotted with tea gardens and plantation, which will restrict further development near future.

The local development authority has identified south and south-east direction along SH12A as potential development zone near future. The major industrial development has been proposed along SH12A. Thus the proposed township is located on a highly strategic location. The regional settings of the city and surrounding region thus provide immense opportunity for development in the near future. The city has started witnessing large scale infrastructure development projects since last couples of year which include up gradation of Bagdogra Airport, Fulbari Bypass Road, SH12A to National Highway and development integrated industrial park, Tea Park, Food Park, and Dry Port etc. These will lead towards comprehensive development of the region. The proposed trade corridors between Nepal-Bangladesh and Bhutan-Bangladesh, passing through the subject region will act as catalyst for future development.

The site thus has the potential to develop as a modern Township for all sections of the society. In line with the State Government's Township Policy 25 % of the dwelling units shall be reserved for the Economically Weaker Section (EWS). As per the policy a further 25% of the developed land shall be reserved for Thematic Economic Activity. The project is proposed as Knowledge cum Health care Hub and would aim at attracting leading Education and Health Care Centers. This would not only serve the people in the region but would also attract international visitors and tourists from Bangladesh and Nepal.

Site Location

The project site is a vacant land parcel located at Dabgram Mouza in Siliguri. It is irregular in shape and located along both the sides of Naukaghat Road near 3rd Mahananda Bridge which is connected with SH 12A (proposed Asian Highway 2). The site is surrounded by village scattered settlements at the rear side. It is located nearly 7 km away from the New Jalpaiguri Railway Station. The subject site is directly accessible from Naukaghat Road, which is the major arterial road in the region

15 JUL 2020

and stretches between NH-31D & SH-12A at Naukaghat Crossing

Table: Site Features

Site location:	Dabgram adjacent to Siliguri

ADDITIONAL REGISTRAR
OF ASSURANCES-1, KOLKATA
15 JUL 2020

1) Project Background

Ambuja Housing & Urban Infrastructure Company Limited (AHUICL) one of the Group Companies of AmbujaNeotia has been selected as the highest bidder to execute the works for development of Teesta Health & Education City at Dabgram, Siliguri

1. Letter of Intent was awarded on 4th May, 2018 vide letter No. 1609/HIDCO/Plng/656(A)/2015 – A photocopy of the letter is attached as Annexure A
2. A joint survey was conducted by AHUICL, Siliguri Jalpaiguri Development Authority, BL&LRO, Rajganj and it was found that out of RFP area of 84.42 acres, 81.19 acres is presently available at site
3. The revised land area of 81.19 acres was confirmed by HIDCO on 17th July, 2019 vide letter No. 2909/HIDCO/Plng/656(A)/2015 – A photocopy of the letter is attached as Annexure B

As per the terms of the Bid Document, the Bidder needs to incorporate a separate entity (SPV) under Companies Act, 2013 as a Lessee to undertake and perform the obligations of the Bidder and various rights of the Bidder including various obligations referred to in LOI and also exercise the rights to obtain lease in its favour from the Lessor upon payment of the entire Financial bid (Premium). Accordingly, the Ambuja Neotia Teesta Development Pvt Ltd, SPV was made the Lessee. The name of the company was originally Mohak Builders Private Limited, which was changed to Ambuja Neotia Teesta Development Private Limited (ANTDPL). A copy of the "Certificate of Incorporation pursuant to change of name" and copy of the communication letter to WBHIDCO are attached as Annexure C.

2) Site Analysis- Existing

The project site is a vacant land parcel located at Dabgram Mouza in Siliguri. It is irregular in shape and located along both the sides of Asian Highway 02. The site is surrounded by village and scattered settlements at the rear side. It is located nearly 4.6 km away from the New Jalpaiguri Railway Station and 14.3 km for Bagdogra International airport. The site is directly accessible through Asian Highway 02, which is the major arterial road in the region. The site is only 7kms from the core city of Siliguri and 40 kms from Jalpaiguri.

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

Site location	Dabgram adjacent to Siliguri as shown in the Google map
Total site area	The total area of the site is 81.19 acres which is divided into three parcels Part A: 20.400 acres, Part B: 01.417 acres and Part C: 59.373 acre
Land use pattern	Township
Land Profile	Flat terrain without much undulation
High Flood Level	111.87m

3) Corporate profile

AMBUJA NEOTIA is one of the most prominent and respected corporate houses headquartered in Kolkata. The company - with its strong forte in real estate, hospitality, healthcare, education and start-up incubation under the leadership of Shri Harshavardhan Neotia - has been responsible for landmark projects in and around Kolkata. The unprecedented success of its maiden project Udayan, Kolkata's first condoville built on Public-Private Partnership model, drew great attention and eventually earned Shri Harshavardhan Neotia, the honour of being bestowed with Padma Shri in 1999. Uttorayan, was the group's first township project in Siliguri as a development manager which garnered much praise and attention for the unique model and scale.

The continuous development done by the Group has quite successfully transformed the pastoral hamlet Raichak on Ganges as Eastern India's most versatile leisure destination. Ambuja Neotia came up with the concept of "where work meets life" with its first commercial project Ecospace in Rajarhat, Kolkata, which is a Green Building certified by LEED. The group revolutionized the concept of shopping malls by creating City Centre Salt Lake. The group also pioneered the cause of woman and child healthcare by setting up Bhagirathi Neotia Woman and Child Care Centre in Kolkata and also set up Neotia Getwel Healthcare Centre, a multi-specialty hospital in Siliguri. Besides, with a desire to contribute to the advancement of education in Bengal, AmbujaNeotia established The Neotia University. Aligning with Startup India, an initiative of the Government of India, AmbujaNeotia has set up Neotec Hub, an incubation centre providing guidance to bright and enthusiastic entrepreneurs. AmbujaNeotia is known to pay special emphasis to design and aesthetics in a way that their projects are enduring and appealing as well as sustainable and viable for the future. For The Teesta Township, the Group is continuing to live by its maxim of making a difference to the way people live.

4) Vision of Teesta Township

The Vision of the Township is to create a diverse, mixed-used urban development in coherence with the Theme of "Health & Educational City". The guiding objective of the project is to create a model for responsible development in India which enhances the community while respecting the environment.

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

- **Urban Infrastructure Amenities (UIA)** – The area of the UIA is approximately 98563.97 sq m (24.356 acres), which is 30% of the Total Project Area, i.e. 3,28,551.37 sq m (81.187 acres) as mandated by the West Bengal Town & Country Planning (Development of Township Projects) Rules, 2008 and to basically include:-
 - Basic Infrastructure Utilities & Services including Roads & Transport infrastructure, street lighting, , Power Supply & Distribution System, necessary system and facilities for potable water supply, drainage, sewerage and sanitation system and solid waste management system
 - Organized Open Space including Landscaping, Plantation and Urban Forestry
 - Provision of space for various facilities like Post-Office, Police Station or Outpost and other relevant Urban Services spread across several zones including entrance gateway, vibrant public spaces etc.
- **Non-Residential Theme (NRT)** - As per the RFP mandate, a total area of 36963.88 sq m (9.134 acres) equivalent to 25% of the Net Project Area has been earmarked for the NRT zone. Net Project Area is defined as in 2(g) of West Bengal Town & Country Planning (Development of Township Projects) rules, 2008.
- **Urban Infrastructure Facilities (UIF)** - may include areas exclusively used for non-residential and job-oriented economic activities i.e. Medical, Educational, Commercial, Industrial, Recreational & Special Uses catering to the demands of a growing city. The term Commercial would include all the commercial usages e.g. Assembly, Mercantile (retail/wholesale), Office/Business, Showroom, Non-hazardous Storage etc. The UI facilities are mostly strategically positioned along the Asian highway addressing the potential of the transport linkage and establishing an easy and strengthened connectivity with the city. As per the RFP mandate and the West Bengal Town & Country Planning (Development of Township Projects) Rules 2008, a total area of 82,133.84 sq m (20.296 acres) equivalent to 25% of the Total Project Area has been earmarked for the UIF zone.
- Several residential developments comprising of plots of various sizes, multi-storied and/or low-rise buildings have been planned across multiple clusters as per the current perception of the market demand and Residential Units for EWS as per RFP mandate with an objective of creating a diverse and resilient community. The total area planned for residential zone including EWS is 1,10,889.68 sq m (27.401 acres), out of which the EWS area is 19713.92 sq m (4.87) acres.

h) Construction area

The allottees of different developed plots in different zones (e.g. UIF Zone, Non-Residential Thematic Zone, and Residential Zone etc.) will construct their buildings in adherence to the Building Rules of the Local Authority. The township is availing Global FAR of 2. There may be inter-zone transfer/shifting of FAR in adherence with the concept of "Global FAR", subject to approval of Lessor and relevant authorities. However, in no case the aggregate FAR consumption in all the plots together (irrespective of any zone) would exceed 6,57,102.74 SQ M i.e. Global FAR of 2 (two) applicable for the entire 81.19 Acres of land. The zone-wise detailed breakup of FAR consumption is mentioned below:

c) **Minimum development obligations**

As per the RFP, Minimum Development Obligation (MDO) has been defined as EWS Dwelling Unit, Non Residential Thematic Economic Activity and Basic urban infrastructure amenities to be developed and allied services to be provided. The RFP also mentions that Completion Date of the MDO means the date on which UDD, GoWB/ Independent Engineer issues the completion certificate confirming completion of the Minimum Development Obligation.

The Township will be launched in phases and the MDO clause is applicable to each such phase. Completion certificate of each such phase will be applied after completion of all development activities of the MDO for the phase.

Economically Weaker Section:

As per the RFP, development of EWS units is an Obligatory Service which the Lessee has to fulfil. Certain conditions must be fulfilled to consider this condition as complete. The conditions are as follows

- Size of units: As per the RFP, the EWS dwelling units shall mean all weather single units or a unit in a multi storey super structure having a carpet area of upto 30 sqm but not less than 28 sqm with adequate basic civic infrastructure such as water, toilets, electricity etc.
- Number of units: The proposed residential zone will house 1260 dwelling units approximately as per the current market perception. As per RFP, the total number of EWS DUs is calculated at 422 (33.49% of 1260). As minimum obligation, the lessee will develop 422 dwelling units for with carpet area between 28 to 30 sq m. In terms of carpet area, the minimum obligation is between 11816 sq m to 12660 sq m. The Table T1 mentioned above in sub-section (b) of section 4 indicates a maximum built up area of 24642.40 sq m. The balance area may be utilised to construct proportionate numbers of additional EWS dwelling units, in case the lessee decides to increase the number of dwelling units for whatsoever reason. Permission for any such change in the number of dwelling units along with relevant calculation of built up area consumption will be intimated to the concerned authority beforehand.
- Area of EWS zone: As per the RFP condition, an area of 4.871 acres (6% of total township area = 81.187 acres) has been ear marked at the northern tip of the 20.40 acre plot for EWS units.

Non residential thematic zone

25% (Twenty five per cent) of the net project area, equivalent to 9.134 acres, has been earmarked for Non – Residential Thematic Zone. This zone is proposed to be located on the 20 acre project land situated on the northern side of the Asian Highway. Plots of appropriate sizes will be developed by the lessee which will be utilized solely for setting up Thematic Projects i.e. Healthcare/Educational activities by the lessee or by its sub-lessees who intend to set up such Thematic Projects. For

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

creating developed plots, engineering activities would be carried out in, on over and under the raw land so as to bring on material change in the land character coupled with creation of urban infrastructural amenities. Subsequently sub-division of developed land into plots of appropriate sizes will be done depending upon the market perception. The same will be communicated to the concerned authority during the approval of the master plan of the relevant zone. This activity adheres to the definition of "development" as mentioned in WBTCP Act. On allotment of the developed plots the respective sub-lessees will set up their activities (Healthcare / Education) depending upon the Business Plan, market demand etc. The total permissible built-up area of the thematic plots is mentioned in Table T1 and the construction will be guided by the bye-laws of the Local Authority.

Basic urban infrastructure amenities -

Our basic urban infrastructure plan consists of the following services. The services which will be considered as basic and will be considered a part of the MDO are as follows

- PHE: Independent networks for water supply system and sewage management system will be established across the township the details of which are mentioned in subsection (b) and subsection (c) of Section 8 "Infrastructure Plan" below.
- Electrical infrastructure: Necessary infrastructure for supply of power depending on the load requirement of individual plots will be created for the township, the details of which are mentioned in subsection (d) of Section 8 "Infrastructure Plan" below.

8) Infrastructure plan

a) Development strategies infrastructure

As part of development strategy we have primarily focussed on the Public Health Engineering (PHE) infrastructure and the norms of actual construction of buildings. These two strategies will serve as the prime example of how development can work with the local climate instead of against the local climate. The PHE and electrical infrastructure will be developed based on demand generated for built up areas mentioned in Table T1 for each cluster.

For PHE, the main strategy is to respect the natural topography of the site and to use it for an integrated surface drainage system. The surface drainage system shall be planned so that the available resources will get equitably distributed throughout the township to provide for uniform scales of development. The waste water and the storm water management systems, the treatment and disposal systems of all types of waste have been thought through to minimize impact on the surrounding developments. The surface drainage system will serve as a natural ground water recharging network to keep storm water runoff to a minimum.

ADDITIONAL REGISTRAR
OF ANCHUTUR, KARNATAKA
15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

For PHE, we desire to create a balance of resource utilization among the various components of the project. We propose to use the water of the Mahananda River as a landscape element within the project by taking some water inside the project and releasing the same amount back into the river. This can have a huge benefit in decreasing the energy consumption of the development. This idea is in a nascent stage and will be done after taking due approvals from the concerned authorities.

The lessee may provide an aesthetic guideline, after necessary approval from concerned authorities to control the construction inside the township. This guideline is still in the nascent stage and may be implemented after consulting with concerned authorities.

h) PHE infrastructure

The lessee has planned to create PHE infrastructure for the maximum built up area (6.57 lakhs sq m) based on complete utilization of Global FAR 2.

The scope of services considered under this report includes the following infra-structural Sanitary engineering [Plumbing] System:

- i. Drawing, Storage, Treatment and Distribution system of potable water supply.
- ii. Garden irrigation and recycled water reuse network
- iii. Underground sewerage system including modular sewage treatment plants
- iv. Storm water drainage system including rainwater harvesting/recharge wells as required.

The following reference design codes/technical literature shall be used as reference for evolving the design

- i. National Building Code of India 2016 published by Bureau of Indian Standards, New Delhi
- ii. Manual on Water Supply and Treatment (3rd Edition dated March, 1991) published by Ministry of Urban Development, Govt. of India, New Delhi
- iii. Manual on Sewerage and Sewage Treatment (3rd Edition dated 2013) published by Ministry of Urban Development, Govt. of India, New Delhi
- iv. Nabhi's Commentary on CPWD Specifications Vol.1 -2002 Edition
- v. Nabhi's Commentary on CPWD Specifications Vol.2 -2002 Edition
- vi. Wastewater Engineering, Treatment and Reuse (4th Edition dated 2003) by Metcalf & Eddy (Published by Tata McGraw Hill)
- vii. SP35(S&T)-1987 'Handbook on Water supply and Drainage published by Bureau of Indian Standards, New Delhi
- viii. Any other standards that may be applicable

Topography and land profile:

The north side parcel is sloping towards the Asian highway while the south side is sloping away from the Asian highway. The average formation levels in both the land parcels are

ADDITIONAL REGISTRAR
OF ASSURANCE-KOLKATA
15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

lower than the Asian highway. Adequate precaution shall be done in site grading to avoid any ingress of surface runoff from the highway in the areas being developed.

Water supply, sewerage and storm water proposed scheme:

In general small residential plots up to 1000 sq. m. area shall be provided with connections for water supply, sewerage and storm-water from township bulk services. The source of potable water supply shall be from the bore-wells. Recycled water shall be supplied through treated STP water for irrigation and gardening after tertiary treatment as mandated by CPCB and NGT. It is also proposed to do community rainwater harvesting and make provision of green swales and rain garden in the public parks which shall help in better storm water management. Also, every plot holder may do the roof water harvesting, the mandates of which will be specified in the master plan before sanction of the relevant phase.

The larger plots including all the plots on 20.40 acre plot on the north would get access to potable water supply from the individual bore-wells dug by the sub-lessee of the respective plot. Every such large plot shall make provision for localized sewage treatment and recycling plant and shall aim for zero liquid discharge after meeting the effluent quality standard for treated sewage fit for discharge into a water body as mandated by National Green Tribunal and Central Pollution Control Board. Excess treated effluent may be discharged into the storm-water drains. Storm-water detention provisions in green swales and depressed parks with rain gardens shall be planned. Provision for retention of rainwater for minimum 15 minute period for peak rainfall of 5 year shall be considered for design as per CGWA and CPHEEO norms. No underground/overhead water tanks and sewage treatment plant are being proposed for North side development.

As the site naturally slopes towards the southern edge, we recommend a natural & open drainage system with a concept of open swales and connected greens. This will help us to recharge maximum of the rain water and ultimately improving the ground water table. In case of excessive rainfall, and accumulation of storm water beyond control, we will require an outflow for the same. Based on natural system of storm water movement, there is an existing drain running parallel to the southern edge of site within the SJDA land. We request a permission to connect our storm water system with the drain in SJDA land to direct the excessive water towards the culvert under the railway track, maintaining the existing regional drainage system.

Similarly for the pocket on the northern side of the Asian highway, there is no drain running along the Asian highway. In case of excessive rainfall, and accumulation of storm water beyond control, we will require an outflow for the same. We propose to pump the excess storm water from the northern plot into a pipeline and take it below the 3rd Mahananda Bridge to the 1.40 Acre plot. From the 1.4 acre plot, we also request a connection beneath the bund road on the southern side and transfer the excess storm

AMBUJA NEOTIA TEESTA DEVELOPMENT PRIVATE LIMITED

15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

water from both the 20 acre and the 1.4 acre plots to the storm water system of the 60 acre plot.

As part of the transfer of the storm-water from the northern plot to the southern plot through the 1.40 Acre plot, we propose to develop and beautify the area below the 3rd Mahananda Bridge, subject to the permission from competent authority. In the plan for beautification, we would take inspiration from the way the SJDA has developed the river front at the bridge near Jorapani-Fuleshwari.

The site is located on the bank of Mahananda River. It becomes a very important asset to the site as the underground water level on the edge of the river is better as compared to rest of the township. For addressing the water requirement of the site, we would seek permission from competent authority to collect the water from Mahananda river through underground catchment pit, which will assure continuous water supply all-round the year. Water drawn from the river canal will serve as a landscape feature and will be also used as a heat sink for air conditioning bringing down the overall energy requirement.

Piped water supply for a township development needs to provide for following requirements:

- Domestic needs such as drinking, bathing, washing, flushing, gardening etc.;
- Institutional needs;
- Public purposes such as street washing, flushing of sewers, watering of parks etc.
- Industrial and commercial use including central air-conditioning;
- Firefighting;
- Likely waste amongst the users

The fresh water is required only for potable water usage while recycled or treated sewage treatment plant effluent can be used for non-potable water usage like, garden irrigation, street and car washing. There will be special covenants in the sub-lease agreement which will mandate the use of low flow fixtures for water savings.

Engineering design of the water supply system:

It is proposed that in a street with plots on either side, the distribution water mains shall run on either side of the road to minimize the crossing of pipes below the roads and reduce the distribution pipe sizes as well as easy balancing of the grids. The minimum design residual pressure shall be taken as 17 (Seventeen) metres for residential plots (3 storied).

The water supply pipe networks shall be designed in such a way that the maximum working pressure does not exceed 5.5 Bar.

It is proposed to decentralize the water supply networks to optimize on pressure losses and decrease working pressure into the system so that all material options like plastic can be considered for use

15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

Separate water tanks for flushing and domestic usage shall be made in a zone with self-priming pumps. For better water distribution and pressure control, modular pumping system is suggested with the unit pump capacity not exceeding 40% of the ultimate water demand.

c) Sewage Collection

The underground sewer shall lead to Centralized Sewage Treatment Plant, which shall be modular type and expandable based on the development profile of the township. The recommended sewage and treated effluent characteristics based on end use shall be as given below:

TREATED SEWAGE CHARACTERISTICS (Source: National Green Tribunal – Treated Sewage Norms)

PH	-	7-8
BOD	mg / l	< 10
COD	mg / l	< 50
TSS	mg / l	< 20
NITROGEN-total	mg/l	<10
Ammoniacal Nitrogen	mg/l	<5
PHOSPHOROUS-total	mg/l	<1
E coli	MPN/100ml	Less than 100

The process of STP treatment shall be accordingly planned. The STP shall be decentralized and modular up-gradable type.

Storm-water drainage:

In the master plan, which will be submitted during the sanction of the particular phase, we may recommended that for all plots, the localized Rainwater Harvesting pits for roof water shall be part of owners' scope and balance runoff from driveways shall be taken for discharge on streets and incorporated in the community rainwater harvesting design of the township.

d) Electricity

The lessee has planned to create electrical infrastructure for the maximum built up area (6.57 lakhs sq m) based on complete utilization of Global FAR 2.

AMBUJA NEOTIA TEESTA DEVELOPMENT PRIVATE LIMITED

(Formerly known as Mohak Builder Private Limited)

Reg. Office 'Ecospace Business Park', Block- 4B, 8th Floor, Premises No.- III/11, Action Area-II,

New Town, Kolkata 700160 (P) 033 4040 6160

AGENCI KEMENTERIAN
15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

In our design of the electrical infrastructure, we have followed the normal practice of distributing power at different voltage levels depending on the demand load. The normal practice for distributing power is shown in the table below:

Load range	Supply voltage
<= 40 KVA	220/440 V
> 40 KVA and <= 125 KVA	440 V
> 125 KVA and <= 1500 KVA	11 KV
> 1500 KVA and <= 20 MVA	33 KV

In case of establishments where the electrical load is more than 1500 KVA, the supplying authority shall provide a single point supply of 33KV. The plot owner will distribute the power as per the requirement and within the limitations of the applicable rules. Supplying authority will charge the consumer as per the consumption at single point supply end through HT Meter. It is expected that most of the establishments under the UIF and the NRT categories will require electrical load more than 1500 KVA. Hence electrical power for plots under UIF and NRT categories will be distributed through single point bulk supply, under the scope of plot owner. Hence requirement of lands for the commercial plots are not being considered.

In case of development of residential plot and housing project, consumers will apply for LT meters for individual plot/ apartment to the supplying authority. The entire distribution work inside the plot will be carried out by the developer or the plot owner as per the norms of the WBSEDCL. Finally the electrical distribution network (up to the meter) will be handed over to WBSEDCL. WBSEDCL will maintain the entire distribution network.

Based on the electrical load requirement, the distribution company will require space to install one 33/11 KV sub-station to supply power to the township. Since none of the adjacent power stations have any spare capacity to cater to the electrical requirement of the township, the lessee has left space for one 33/11 KVA substation.

Electrical infrastructure for distribution of power to the individual plot will consist of:

- i) Planning and laying of cable route as per the norms of WBSEDCL/common practice/applicable rules from proposed central sub-station of WBSEDCL to individual use/activity area. The cable layout will be shared with the relevant authority and the approvals will be obtained before the launch of the relevant phase.
- ii) Finalising the position of electrical equipment for the distribution of power to plotted development areas to provide power to individual plot as per the norms/common practice of WBSEDCL. The position of the electrical equipment will be shared with the relevant authority and the approvals will be obtained before the launch of the relevant phase.
- iii) Since the Lessee is planning to build an electrical infrastructure commensurate with the maximum permissible built up area of 6.57 lakh sq m, the distribution of which is mentioned in Table T1 of subsection (b) in Section 4, no shortfall of capacity in any form is possible or anticipated, unless the Lessor permits the Lessee to allow additional built up area. The spaces which will be required for installation of

New Town, Kolkata 700160 (P) 033 4040 6060

ADDITIONAL REGISTRAR
OF ASSURANCES, KERALA
15 JUL 2020

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

electrical equipment to distribute power within the individual plots will be managed by the developers of the plots depending on the actual use.

- iv) Design and installation of street light for the internal roads of the Township as well as the common areas/landscape areas of the entire site
- v) To plan and provide electrical power to common utility services like STP/Central PHE System

e) Landscape

Landscape Design

The aim is to create a landscape design that creates a place for all, catering to all age groups and giving variety of user based activities.

The design is based on the vision with key features:

- Unique and high quality streetscapes.
- Pleasant driveway experience for the township entry zone.
- Landscape spaces catering different activities for all age groups.
- A vibrant landscape for all seasons to provide identity to the different streets.

f) Service Control & Monitoring System

Proposed control at individual plot level:

- Water Tank Sensors
- Smart Water Meter

Proposed control at master plan level.

- STP Control (General)
- Landscape/common area lighting (other than UIF/HIG/EWS plots)
- CCTV Network (other than UIF/HIG/EWS plots)
- Monitoring of DG
- The provision for the electrical infrastructure like specified route etc shall be made as per norm so that Distribution Company can provide the power to individual plot.

g) Transportation

The township is equipped with proper ROW considering the anticipated traffic with specific sections dedicated to bicycle and pedestrian movement. All the land use plots are strategically positioned to avoid vehicular traffic and encourage pedestrian movement.

The geometry of the intersection on Asian highway would address the through traffic as well as the traffic generated by the township. To address the short term and long-term effects of traffic at the intersection, a mandate should be given to us to implement a solution through correct authority.

h) Boundary wall

The boundary demarcation will be done for the township and the details of the design will be shared at a later stage.

AMBUJA NEOTIA TEESTA DEVELOPMENT PRIVATE LIMITED

(Formerly known as Mahak Builder Private Limited)

ii) Garbage Disposal and Solid waste management

The management for solid waste will be strategized in a way that the segregation between the dry and wet waste happens at source, collected by third party and will be directly taken out of the township. Permission for dumping of segregated solid waste will be obtained from the relevant authority before the commencement of the relevant phase.

9) Engineering Planning

To achieve the desired quality standards, it would be stipulated in the lease agreement of the sub-lessee that they would follow the respective Indian standards and national building code (NBC) as applicable for the type of development they are proposing in their plot. The sub lease agreement shall also specify that the sub-lessee would follow the applicable laws for deployment of construction labour and ensure that applicable Employee health and safety norms are followed by them.

a) Quality Assurance plan

The lease agreement with the sub-lessee would stipulate that while making any building construction they have to follow a quality assurance plan and follow a standard operating procedure to ensure that the construction is carried out in accordance with the stipulation of the national building code and relevant IS codes for structure and services.

b) Proposed Phasing

As per the RFP, the proposed phasing shall be planned in a manner such that the development of each phase shall conform to the township policy/ rules, applicable development control regulation, land use, development control plans as may be applicable, rules and regulation of the concerned Municipality & bid documents

The township development is to be carried out in different phases depending upon the lessee's perception of the current market demand and economic scenario. However, MDO will be complied with in each of the phases proportionately with the total land quantity of the respective phases. The lessee will be within its liberty to modify the land quantum within each phase depending upon the market scenario subject to fulfilment of proportionate MDO for each such phase. The timeline of completion of each phase will depend upon the quantum of land area involved in that particular phase. However, the total project will be completed within the stipulated time period of 8 years from the execution of the Lease Deed subject to 2 years grace period. The MDO clause as stated in clause 26, page No.9 of RFP stands applicable proportionately of each of the phases.

The Project Completion Certificate of different phases of the Project to be issued by the Lessor/Development Authority to the Lessee would depend upon completion of MDO in proportion to the land quantity. Such completion will also be guided by Rule 8 of the West Bengal Town & Country Planning (Development of Township Project) Rules 2008.

However, sub-lessees of different plots under different zones will be entitled to carry out and complete construction of built-up area in their respective plots with the strength of

Detail Project Report - The Teesta Township, Dabgram Jalpaiguri

building plans sanctioned by the Local Sanctioning Authority. Completion Certificate for such constructed area will be issued by Local Sanctioning Authority strictly in adherence with the Building By-Law and with other restrictions that may be imposed by the Lessee on the sub-lessees. Issuance of such Completion Certificate of constructed area to the individual sub-lessees will be dependent upon the fulfilment of the lessee's obligation of providing necessary urban infrastructure amenities to the sub-lessee only.

c) Engineering and construction time schedule

Each Phase as mentioned above would be completed within a time period of 48 to 60 months with overlapping of phases i.e. next Phase or more Phase development would start within 24 months of earlier phase. However, all the phases / the entire development is planned to be completed within 8 years.

An additional 2 (two) years' extension will be sought in case of any unforeseen circumstances.

10) Architectural drawings and sanction-able plans

Enclosed is the following drawing for kind approval

- Land Use plan

11) Indemnity

The indemnity to be given by the Lessee to the Lessor will be guided by the respective clause as would be appearing in the proposed registered Lease Deed to be entered into between the Lessor and the Lessee.

LETTER of INTENT (LOI)

Subject Letter of Intent (Loi) for development of Teesta Theme Township at Dabgram, Siliguri
Reference RFP for Teesta Township Project having no 3687/WBIDCO/Ping/656(A)/2015 dated 25.10.17

Dear Sir

I am directed to inform you that your quoted rate in connection with "Development of Teesta Theme Township" has been found highest and accepted by the Competent Authority. Accordingly, your company being the highest bidder has been selected to execute the works for development of Teesta Health & Education City at Dabgram, Siliguri, subject to fulfilment of all terms and conditions mentioned in the RFP document.

Now, I am also directed to inform you to kindly submit the Letter of Acceptance within 15 (fifteen) days from the date of receipt of this letter for taking further course of action, provided the work of the project should not be commenced while Model Code of Conduct is in force vide Memo No 1011 SEC/IM-29/2018(P-1) dated 11th April, 2018.

This has an approval of the Standing Committee of the Cabinet of Industry, Infrastructure and Employment duly communicated vide memo no. 1153/1(3) T&CP/C-2/10/2015 dated 23rd April 2018 by Urban Development and Municipal Affairs Department, Govt. of West Bengal.

Thanking you

Yours faithfully,

Dear Sir,

With reference to the above subject and reference, I am directed to inform you that your letter dated 27/05/2019 requesting to freeze the land quantity for Teesta Theme Township project as 81.19 acres instead of bid quantity 84.41 acres and proportionate reduction in land premium has been considered by the competent authority.

Now, I am further directed to inform you that:

The competent Authority of WBHDCO Ltd. has allowed to freeze the land quantity as 81.19 acres instead of 84.41 acres for the Teesta Theme Township project for the present as this quantity of lands presently vacant and available for handing over.

The Competent authority of WBHDCO Ltd. has been pleased to allow you to deposit the remaining 90% of the quoted land premium reduced by Rs 2,92,54,768/- (Rupees Two Crores Ninety Seven Lakhs Fifty Four Thousand Seven Hundred and Sixty Eight) only plus applicable taxes with delayed payment charge computed at the rate of 12.5% per annum compounded quarterly for the balance period on the balance payment within the next 360 days from the date of expiry of the stipulated period (360 days from the date of issue of LOI) for payment as per clause 2.1.15 of RFP document, as you have failed to deposit the second installment of 90% plus applicable tax within the stipulated time period.

REGIONAL BUREAU
15 JUL 2020

NOTES:

1. The Exploratory Statement pursuant to Section 102 of the Companies Act, 2013, with respect to the Special Business as set out in Item No. 1 is annexed hereto.
2. A member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of himself and the proxy so appointed need not be a Member of the Company. The proxy form duly completed should reach the registered office of the Company before the time fixed for commencement of the meeting. A proxy form is attached herewith.
3. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
4. The proxy holder shall prove his/her identity at the time of attending the Meeting.
5. When a member appoints a proxy and both the member and proxy attend the Meeting, the proxy stands automatically revoked.
6. Requisition for inspection of proxies shall have to be made in writing by Members entitled to vote on any resolution before the commencement of the Meeting.
7. Proxies shall be made available for inspection during the period of commencement of the Meeting and ending with the conclusion of the Meeting.
8. Corporate Members are required to send to the Company a certified copy of the Board Resolution, pursuant to Section 113 of the Companies Act, 2013, authorizing their representatives to attend and vote at the Meeting.
9. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
10. All Members are requested to bring attendance slip, duly signed as per the specimen copy enclosed with the Company for admission into the Meeting Hall.
11. Documents mentioned in this notice are open for inspection by the Members during the commencement of the Meeting.
12. In terms of the requirements of the Secretarial Standards - 2 on "General Meetings" issued by the Institute of the Company Secretaries of India and approved & notified by the Central Government, Route Map for the location of the aforesaid meeting is enclosed.

ADDITIONAL REPRESENTATIVE
OF ASSOCIATION OF KATA
15 JUL 2020

Explanatory Statement under Section 102 of the Companies Act 2013:

Item no. 1

The Board of Directors of the Company in its meeting held on 27th October, 2018 decided to change the name of the Company from "MOHAK BUILDER PRIVATE LIMITED" to "AMBULJA NEOPTIA THESTA DEVELOPMENT PRIVATE LIMITED" or such other name as may be approved by the Registrar of Companies. The Directors believe that the change in the name of the Company which is being undertaken as part of corporate rebranding would make the name of the Company simple, sharp and focused.

The application for the name "AMBULJA NEOPTIA THESTA DEVELOPMENT PRIVATE LIMITED" would be submitted with the Registrar of Companies for the availability of the aforesaid name or such other name as may be approved by the Registrar of Companies, West Bengal.

The proposed change of name will not affect any of the rights of the Company or of the shareholders/stakeholders of the Company. All existing share certificates bearing the current name of the Company will, after the change of name, continue to be valid for all purposes.

As per the provisions of Sections 13 of the Companies Act, 2014, approval of the shareholders is required to be accorded for changing the name of the Company & consequent alteration in the Memorandum of Association and Articles of Association by way of passing a Special Resolution. Hence, the resolution is put up for shareholders approval.

None of the Director or Key Managerial personnel of the Company or any of their relatives are in any way concerned or interested, financial or otherwise, in the Resolution as set out in Item No. 1.

Members are requested to consider the above proposal and pass the Special Resolution.

For and on behalf of the Board of
Mobak Builder Private Limited

(3) Your Memo No.1722 dated 14.05.2018.

Dear Sir,

In terms of the Clause No.2.1.15(2) read with the abovementioned RFP, LOI and subsequent Memo, payment of 90% of the final bid amount falls due on 26.04.2019. In this connection we would like to bring to your kind notice the following:

- 1) We have communicated with you about certain land shortage related issue in the past. Moreover, we requested your kindness for furnishing us the details of the land. You were kind enough to furnish all the relevant information including the soft copy of the survey map of the proposed township to us.
- 2) Subsequent to this, HIDCO authority arranged for conducting land survey on the basis of the soft copy provided by you and reported about physical shortage of land compared to the quantity mentioned in the RFP.
- 3) The RFP document clearly states that the plot area of Teesta Township is 84.418 Acres (vide page 27 of the RFP). Moreover, in page102 of the RFP the break-up of the 3 plots consisting in the

township project is given as 20.261 Acres, 1.468 Acres and 62.69 Acres.

- 4) On the basis of survey conducted through HHDCO authority, permissive possession of 84.418 Acres was handed over to us on 10.01.2019.
- 5) Subsequent to this when we started putting boundary pillars we came across certain anomalies with respect to physical land quantity vis-a-vis survey report. Further we found that the land schedule accompanying possession certificate is not matching with the physical land quantity of the respective dags.
- 6) In the meantime vide Memo No.43 dated 14.01.2019 HHDCO authority delegated the power to SJDA to act as a single window agency. We thus approached SJDA authority for re-surveying the physical land available for the project with help of the local BL&LRO office.
- 7) From a joint survey conducted in the presence of the representatives of SJDA, BL&LRO and Ambuja it appears, prima facie, that the physical land available for the project is less than the quantity mentioned in the RFP. Even there is mismatch in the land quantity in the 3 separate plots mentioned in the RFP. The land shortage is coming anywhere between 3 to 5 Acres.
- 8) The thorough survey also revealed in many cases dag quantity mentioned in the land schedule is not matching with the physical quantity.
- 9) We are in constant touch with the office of the SJDA and BL&LRO, Rajgunge for reaching an authenticated reconciliation of the land quantity physically available vis-a-vis land quantity mentioned in the RFP.
- 10) We understand that a final survey map showing the land quantity as well as the modified land schedule matching with the physical dag quantity is under process. Such new modified survey map as well as the land schedule duly authenticated by SJDA authority will reveal the actual land shortage, if any, compared to the RFP quantity.

- 11) We do not feel that such authenticated survey map and the land schedule will be available before 26.04.2019 i.e. the last date of payment of balance consideration money.
- 12) As we feel that there will land shortage to the tune of 2 to 3 Acres we would request you to allow us payment of reduced consideration money in proportion to the final land shortage. But as this exercise will take some more time, we are left with no other option but to opt for the other option of delayed payment as contemplated in Clause No.2.1.15(2) of the RFP and the LOI dated 04.05.2018.
- 13) We are forwarding herewith the 15% of the bid value to you vide our Cheque No. 363003 dated 26.04.2019 drawn on Axis Bank Ltd for Rs. 11,70,00,000/- (Rupees Eleven Crores Seventy Lacs) only issued by M/s. Mohak Builder Pvt. Ltd., the SPV formed by us who will be the proposed Lessee and is eligible to make this payment in terms of Clause 2.1.15 of the RFP. The balance 75% along with delayed payment charge @ 12.5% p.a. will be paid to you as soon as the authenticated map/data about land shortage is available with us. Proportionate price of such land shortage, if any, will be adjusted against such balance 75% while making the payment in future.

This is for your information and doing the needful. Kindly issue money receipt for the abovesaid amount of Rs 11,70,00,000/- (Rupees Eleven Crores Seventy Lacs) only in favour of M/s. Mohak Builder Pvt. Ltd.

Thanking you.

Yours faithfully,

Sub. : Forwarding of prepared Deed of Lease to be registered between WBHIDCO Ltd. and M/s. Ambuja Housing and Urban Infrastructure Co. Ltd. & Ambuja Neotia Teesta Development Project Ltd. in c/w Development of Teesta Theme Township at Mouza - Dabgram, J.L. No.02 under Bhaktinagar P.S. in the district of Jalpaiguri.

Ref. : Notification No. 2851-F.T. Kolkata dated 16/08/2004 of the Finance (Revenue) Department, Govt. of West Bengal regarding exemption (under section 88 of the Registration Act, 1908) to MD, WBHIDCO or any officer authorized by him from personal appearance before the Registering Authority for Registration of Deed of Lease in favour of WBHIDCO Ltd.

Sir,

Pursuant to the matter under the above subject and reference, I am directed to inform you that the General Manager (Admn) has duly been authorized by the Competent authority WBHIDCO Ltd., being designated as State Level Nodal Agency (SLNA) by the UD&MA Department, Govt. of West Bengal, for signing the Deed of Lease which will be registered between WBHIDCO Ltd. (SLNA) and M/s. Ambuja Housing and Urban Infrastructure Co. Ltd. & Ambuja Neotia Teesta Development Project Ltd.

It may kindly be noted that M/s. Ambuja Housing and Urban Infrastructure Co. Ltd. as the messenger of the instant letter, will appear to present the said indenture before you for registration of the same.

You are requested to please accept the presentation of the said Deed and admit it to registration.

The undersigned has been exempted from personal appearance before the Registering Authority under the notification cited above.

Thanking you,

Yours faithfully,

General Manager (Admn)
