

7/07/2014 No. 415
 1. This drawing is prepared for the purpose of construction of the proposed structure. It is not to be used for any other purpose.
 2. The contractor shall be responsible for the execution of the work in accordance with the specifications and standards mentioned herein.
 3. The contractor shall be responsible for the safety of the workers and the public during the construction.
 4. The contractor shall be responsible for the removal of the structure if it is found to be unsafe or if it is found to be in violation of the laws and regulations.
 5. The contractor shall be responsible for the payment of the taxes and duties on the structure.
 6. The contractor shall be responsible for the maintenance of the structure after its completion.
 7. The contractor shall be responsible for the disposal of the waste materials generated during the construction.
 8. The contractor shall be responsible for the protection of the environment during the construction.
 9. The contractor shall be responsible for the safety of the surrounding areas during the construction.
 10. The contractor shall be responsible for the safety of the structure during its use.
