## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MERLIN PROJECTS LIMITED,  
Report on the Standalone Ind AS Financial Statements

### Opinion

We have audited the accompanying standalone IND AS financial statements of MERLIN PROJECTS LIMITED, ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss including the statement of Other Comprehensive Income, statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

e-mail:info@bjraigroup.com, Ph.: 9831119996

## B. Jain & Co. Chartered Accountants

### Responsibility of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone IND AS Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards(IND AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone IND AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### Auditor's Responsibilities for the Audit of standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, Intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

2, Ashutosh Mukherjee Road, 4<sup>th</sup> Floor, Kolkata - 700 020  
e-mail:info@bjaingroup.com, Ph.: 9831119996

**B. Jain & Co.  
Chartered Accountants**

- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the IND AS financial statements, including the disclosures, and whether the IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on Other Legal and Regulatory Requirements**

1. As required by 'the Companies (Auditor's Report) Order, 2020', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A" statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of my audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

**2, Ashutosh Mukherjee Road, 4<sup>th</sup> Floor, Kolkata - 700 020  
e-mail:info@bjraigroup.com, Ph.: 9831119996**

**B. Jain & Co.  
Chartered Accountants**

- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone IND AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'
- (g) In our opinion the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 of the Act, where applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of my information and according to the explanations given to me:
  - i. The Ind As financial statements disclose the impact of pending litigation on the financial position of the Company in accordance with the generally accepted accounting practice- Refer Note no. 34 to the Ind As financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - (a) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding,

whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

ANNEXURE A TO THE AUDITORS' REPORT

The annexure referred to in our Independent Auditors' Report to the member of the Company on the financial statement of the year ended 31<sup>st</sup> March 2023, we report that:

- I. In respect of its Property, Plant & Equipment & Intangible Assets:
  - a. A. The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
B. The Company has maintained proper records showing full particulars of its Intangible assets.
  - b. As explained to us, the Company has a regular programme of physical verification of its Property, Plant and Equipment. These are verified by the management in a phased manner. In our opinion the periodicity of physical verification is reasonable, having regard to the size of the Company and nature of its assets. As informed to us no material discrepancies were noticed on such physical verification.
  - c. The title deeds of immovable property are held in the name of the company except for *Land at Chennai shown at ₹ 2,630.00 Lakh (Gross) under Investment Property [Refer Note 48 (x) to the Standalone financial statements]*
  - d. The company has not revalued any of its Property, Plant and Equipment during the year.
  - e. As per information and explanation given to us no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- II. In respect of Inventories:
  - (a) Physical verification has been conducted by the management at reasonable intervals in respect of goods. The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
  - (b) The company has not been sanctioned working capital limits at any point of time against current assets in excess of Rs. 5 crores in aggregate from banks during the Year.
- III. In respect of any loan granted:
  - (a) The Company has not made any investments or provided any guarantee or security to any Company/Firm/Limited Liability Partnership/other party during the year. The Company has granted unsecured loans or advances in the nature of loans, details in respect of which are given below:

2, Ashutosh Mukherjee Road, 4<sup>th</sup> Floor, Kolkata - 700 020  
e-mail:info@bjraigroup.com, Ph.: 9831119996

**B. Jain & Co.

Particulars	Loans (₹ in Lakh)
Aggregate amount granted/ provided during the year to an associate	750.00
Balance outstanding as at balance sheet date in respect to above	1082.14
Aggregate amount granted/ provided during the year to Others (i.e other than Subsidiary, Joint venture and associates)	7951.31
Balance outstanding as at balance sheet date in respect to Others	7908.77

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions of the loans given are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and based on the audit procedures performed by us, there is no stipulation of schedule of repayment of principal and payment of interest on loans granted by the company. We are, therefore, unable to make specific comment on the regularity of repayment of principal & payment of interest.
- (d) According to the information and explanations given to us and based on the audit procedures performed by us, there is no amount overdue for more than 90 days in respect of loans and advances in the nature of loans granted by the company.
- (e) According to the information and explanations given to us and based on the audit procedures performed by us, no loans or advances in the nature of loan granted, which has fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties
- (f) According to the information and explanations given to us and based on the audit procedures performed by us, the aggregate amount of loans or advances in the nature of loans as on the balance sheet date is Rs. 8990.91 Lacs including loans granted to promoters, directors, KMPs and the related parties (as defined under the Companies Act, 2013) without specifying any terms or period of repayment as per detail below.

Type of Borrower	Amount of loan or advance in the nature of loan outstanding (₹ in Lakh)	Percentage to the total Loans and Advances in the nature of loans	Nature
Related Parties	1246.13	13.86%	repayable on demand
Other than Related parties	7744.78	86.14%	repayable on demand

- IV. According to the information and explanations given to us, the company has not provided during the year any loans, guarantees and securities, nor made any investments in contravention of provisions of Section 185 and 186 of the Companies Act, 2013.
- V. According to the information and explanations given to us, the Company has not accepted any deposits or amounts deemed to be deposits, in terms of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under.
- VI. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that, *prima facie*, the prescribed accounts and cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- VII. In respect of Statutory Dues:
- According to information and explanation given to us, the Company is regular in depositing undisputed statutory dues including Goods and service tax, Income Tax, Service Tax and other material statutory dues applicable to it with the appropriate authorities. Further, as per the records of the Company, there were no undisputed amounts of arrears payable in respect of such statutory dues which have remained outstanding as at 31st March, 2023 for a period of more than six months from the date they became payable.
  - According to Information and explanation given to us, there were no disputed amounts of statutory dues except in respect of Income Tax for A.Y. 2014-15, 2016-17, A.Y. 2019-20 amounting to Rs. 276.38 Lakhs, pending before ITAT.*
- VIII. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

e-mail:info@bjraigroup.com, Ph.: 9831119996

**B. Jain & Co.  
Chartered Accountants**

- IX. (a) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or borrowings to any financial institutions or banks during the year. The company has no outstanding debentures or dues to the government.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds have been raised on short-term basis have been used for long term purposes by the Company. Accordingly, clause 3(ix)(d) of the Order is not applicable.
- (e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint venture entity.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint venture entity. Accordingly, the requirement to report on clause ix (f) of the Order is not applicable to the Company.
- X. (a) According to the information and explanation given us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments). Accordingly, paragraph 3(IX) (a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit. Accordingly, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- XI. (a) According to the information and explanations given to us no fraud by the Company or on the Company has been noticed or reported during the course of our audit.
- (b) During the year, no report under sub-section (12) of section 143 of the Act has been filed by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) The Company did not receive any whistle-blower complaints during the year.
- XII. The Company is not a Nidhi Company. Hence the criteria of meeting Net owned funds and maintaining of Liquid Assets is not applicable for the Company.
- XIII. According to the information and explanations given to us and on the basis of our examination of the records of the Company, transactions with the related parties are in compliance with section 188 and 177 of the

**2, Ashutosh Mukherjee Road, 4<sup>th</sup> Floor, Kolkata - 700 020

Companies Act, 2013 where applicable and details of such transaction have been disclosed in the financial statements as required by the applicable accounting standards.

- XIV. (a) The Company has an internal audit system commensurate with the size and nature of its business.  
(b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- XV. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not entered into any Non cash transactions with the directors or persons connected with them.
- XVI. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934, are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.  
(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.  
(c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.  
(d) There is no Core Investment Company as a part of the Group. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- XVII. The Company has not incurred cash losses in the current year and preceding financial year.
- XVIII. There has been no resignation of the statutory auditors during the year and accordingly, requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- XIX. On the basis of the financial ratios disclosed in note 47 to the Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors' and management's plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

## ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MERLIN PROJECTS LIMITED (the Company) as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting

2, Ashutosh Mukherjee Road, 4<sup>th</sup> Floor, Kolkata - 700 020  
e-mail:info@bjaingroup.com, Ph.: 9831119996

# B. Jain & Co. Chartered Accountants

principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## MERLIN PROJECTS LIMITED

Notes to Financial Statements as at and for the year ended March 31, 2023

### I. Company Overview

Merlin Projects Limited ("the Company") is an unlisted public limited company incorporated in India having its registered office situated at Merlin Oxford, 2nd Floor 22, Prince Anwar Shah Road, Kolkata - 700 001. The Company is primarily engaged in the business of real estate development and other allied activities. The operations of the Company span all aspects of real estate development, from the identification and acquisition of land to planning, execution, construction and marketing of projects. The Company is also engaged in earning "Rental Income" from letting out Property and generate "Interest Income" from Surplus Funds.

### II. Basis of Preparation of Financial Statements

#### I) Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented. The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities which are measured at fair values as explained in relevant accounting policies.

The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101- First time adoption of Indian Accounting Standards. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with relevant Rules which was the previous GAAP.

The preparation of the Financial Statements required the Management to exercise judgements and to make estimates and assumptions. The Management has considered the possible effects, if any, that may result from the pandemic relating to COVID-19 on the carrying amounts of its assets. In developing the assumptions and estimates relating to the uncertainties as at the Balance Sheet date in relation to the recoverable amounts of these assets, the Management has considered the global economic conditions prevailing as at the date of approval of these financial statements and has used internal and external sources of information to the extent determined by it. The actual outcome of these assumptions and estimates may vary in future due to the impact of the pandemic.

#### II) Basis of Measurement

The Standalone financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

- (i) Certain financial assets and financial liabilities measured at fair value;
- (ii) Assets held for sale-measured at the lower of its carrying amount and fair value less costs to sell; and
- (iii) Employee's defined benefit plan as per actuarial valuation.

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

#### III) Use of Estimates and Judgments

The preparation of the Company's Standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Estimates and underlying assumptions are reviewed on an ongoing basis. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these Standalone financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. The changes in the estimates are reflected in the Standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Standalone financial statements.

#### IV) Critical Accounting Estimates and Key Sources of Estimation Uncertainty: Key Assumptions

##### (a) Useful Lives of Property, Plant and Equipment

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/ component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets. See note 3(II) and 4 for details.

##### (b) Fair Value Measurement of Financial Instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognized in the statement of profit and loss. See note 3(VII) and Note 46 for details.

##### (c) Defined Benefit Plan

The cost of the defined benefit plan includes gravity and the present value of the gravity obligation are determined using actuarial valuations using Projected unit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. See note 3(XII) and 43 for details.

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**(d) Recognition of Current Tax and Deferred Tax**

Current taxes are recognized at tax rates (and tax laws) enacted or substantively enacted by the reporting date and the amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. See note 3(XVI) and 34 for details.

**(e) Recognition and Measurement of Provisions and Contingencies**

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for. See note 3(X) and 35 for details.

**3. Significant Accounting Policies****I) Revenue Recognition**

Revenue is recognized when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of revenue transaction as below:

**Ind AS 115 – Revenue from Contracts with Customers**

The Company has adopted Ind AS 115 "Revenue from contracts with Customers" and accordingly revenue from sale of real estate inventory property is recognised upon transfer of control of promised goods and services to customers at an amount to which the Company expects to be entitled following a five step model in accordance with Ind AS 115. Revenue is measured based on the consideration specified in a contract with a customer, as revised, and is reduced for discount, rebate and other allowances.

In case of real estate sales where agreement for sale is executed for under construction properties, revenue in respect of individual contracts is recognised when performance on the contract is considered to be completed.

Dividend income is recognised when the Company's right to receive dividend is established. Interest income is recognized using the effective interest method. Effective Interest Rate is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Share of profit/ loss from firms in which the Company is a partner is accounted for in the financial year ending on (or immediately before) the date of the balance sheet. All other income are recognized on accrual basis.

**II) Property, Plant & Equipment****Recognition and Initial measurement**

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

**Subsequent measurement (depreciation and useful lives)**

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation is provided on written down value method over the estimated useful lives of property, plant and equipment and are in line with the requirement of Part C of Schedule II of the Companies Act, 2013.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date are classified as 'Capital Advances' under other 'Non-Current Assets'. Assets and the cost of assets not put to use before such date are disclosed under 'Capital Work in Progress'.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**De-recognition**

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**III) Investment Properties****Recognition and Initial measurement**

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

**Subsequent measurement (depreciation and useful lives)**

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation is provided on written down value method over the estimated useful lives of investment property and are in line with the requirement of Part C of Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**De-recognition**

Investment properties are de-recognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of de-recognition.

**IV) Intangible Assets****Recognition and Initial measurement**

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

**Subsequent measurement (amortisation)**

The cost of capitalised software is amortized over a period of 4 years from the date of its acquisition.

Intangible Assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an Intangible Asset with a finite useful life are reviewed at the end of each reporting period. The amortization expense on Intangible Assets with finite lives is recognized in the Statement of Profit & Loss. The Company amortizes intangible assets over their estimated useful lives using the straight line method.

Intangible Assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit & Loss when the asset is derecognized.

**V) Inventories**

Inventories are valued at lower of cost or Net Realisable value, except for construction-work-in progress which is valued at cost.

Construction-work-in progress includes cost of land, premium for development rights, construction costs, allocated interest and expenses incidental to the projects undertaken by the Company.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**VI) Financial Instruments****Initial recognition and measurement**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to the fair value on initial recognition.

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**Subsequent measurement****i) Non derivative financial instruments****a) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial instruments are subsequently measured at amortised cost using the effective interest rate method.

**b) Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

**c) Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

**d) Financial liabilities**

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**e) Investment in subsidiaries, associates and joint ventures**

Investments in subsidiaries, associates and joint ventures are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements, and Ind AS 28 Investments in Associates and Joint Ventures.

**f) Investment in other equity instruments**

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers cumulative gain or loss within equity. Dividends on such investments are recognized in profit or loss unless dividend clearly represents a recovery of part of the cost of the investment.

**De-recognition of financial instruments**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**VII) Fair Value Measurement**

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

**VIII) Impairment**

Impairment is recognized based on the following principles:

**Financial Assets**

The Company recognises loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to life time ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at life time ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**Non-Financial Assets**

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date, there is an indication that a previous impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognised are accordingly reversed in the statement of profit and loss.

**IX) Provisions, Contingent Assets and Contingent Liabilities**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

**X) Foreign Currency Transactions & Translations****Functional and presentation currency**

The financial statements are presented in Indian Rupees (Rs) which is also the functional and presentation currency of the Company.

**Ind AS 21 – The Effect of Changes in Foreign Exchange Rates**

**Foreign Currency Translation:** Foreign currency transactions during the year are recorded in the reporting currency at the exchange rates prevailing on the date of the transaction.

**Conversion:** Foreign currencies denominated monetary items are translated into rupees at the closing rates of exchange prevailing at the date of the balance sheet. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

**Exchange Differences:** Exchange differences arising, on the settlement of monetary items or reporting of monetary items at the end of the year at closing rates, at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

**XI) Cash and Cash Equivalents**

Cash and Cash Equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**XII) Employee Benefits****Defined Contribution Plan**

The Company makes contributions towards provident fund and employees state insurance to the regulatory authorities to a defined contribution retirement benefit plan for qualifying employees, where the Company has no further obligations. Both the employees and the Company make monthly contributions for a specified percentage of the covered employee's salary.

**Defined Benefit Plan**

Gratuity is paid to employees under the Payment of Gratuity Act 1972 through funded scheme. The Company's liability is actuarially determined using the Projected Unit Credit method at the end of the year in accordance with the provision of Ind AS 19 - Employee Benefits.

The Company had incorporated a Trust named Merlin Projects Gratuity Fund Trust for the managed employees, gratuity fund with Life Insurance Corporation of India. The present value of obligation is determined based on actuarial valuation using the Project Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately in building up the final obligation.

**XIII) Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**XIV) Leases**

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the Statement of Profit & Loss over the lease term.

**XV) Taxation**

Income tax expense is recognized in the Statement of Profit & Loss except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Minimum alternate tax ("MAT") credit entitlement is recognized as an asset only when and to the extent there is convincing evidence that normal income tax will be paid during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. This is reviewed at each balance sheet date and the carrying amount of MAT credit entitlement is written down to the extent it is not reasonably certain that normal income tax will be paid during the specified period.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. However, considering the reasonable uncertainty of reversal of timing difference management decided not to recognise deferred tax asset.

**XVI) Earnings per Share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**XVII) Operating Segment**

Based on the synergies, risks and returns associated with business operations and in terms of Ind AS-108, the Company's operating operation comprises of only two primary segment viz. construction and rental income. The Company also believes that even geographically, the Company faces similar risk and returns and there is no separate segment that can be identified for the purpose of reporting under Ind AS 108 on "Segment Reporting".

**XVIII) Current and Non-current classification**

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is classified as current when it is:

- i) expected to be realised or intended to be sold or consumed in the normal operating cycle,
- ii) held primarily for the purpose of trading,
- iii) expected to be realised within twelve months after the reporting period, or
- iv) cash or cash equivalents unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is:

- i) it is expected to be settled in the normal operating cycle,
- ii) it is due to be settled within twelve months after the reporting period, or
- iii) there is an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current.

Particulars	March 31, 2023	March 31, 2022
Employers' Contribution to Provident Fund & ESI	42.25	32.58

## ii) Defined Benefit Plans

Gratuity is paid to employees under the Payment of Gratuity Act 1972 through funded scheme. The present value of obligation is determined based on actuarial valuation using Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

## a) Change in Defined Benefit Obligation:

Particulars	March 31, 2023	March 31, 2022
Present Value of Defined Benefit Obligations at beginning of year	178.99	152.81
Current Service cost	42.75	17.66
Interest cost	11.10	9.17
Past Service Cost	-	-
Re-measurement (or Actuarial (gains)/ losses) arising from:		
Change in financial assumptions	(13.52)	(1.73)
Experience Variance & Others (i.e. Actual experience vs assumptions)	73.98	1.68
Benefits paid	(2.85)	-
Present Value of Defined Benefit Obligations at the end of year	290.45	178.99

## b) Change in fair value of plan assets

Particulars	March 31, 2023	March 31, 2022
Fair value of plan assets as at the start of the year	100.18	89.38
Return on plan assets	0.27	(0.09)
Investment income	6.21	5.39
Actuarial loss/gain	-	-
Contributions	8.14	6.60
Benefit paid	(2.85)	-
Fair value of plan assets as at the end of the year	111.05	100.18

## c) Net Asset / (Liability) recognised in Balance Sheet:

Particulars	March 31, 2023	March 31, 2022
Net Asset/(Liability) recognised in Balance Sheet at beginning of year	(78.81)	(62.93)
Expense recognised in Statement of Profit and Loss	47.64	26.84
Expense recognised in Other Comprehensive Income	60.20	0.04
Employer contributions	(8.14)	(5.00)
Net Asset / (Liability) recognised in Balance Sheet at end of year	(178.50)	(78.81)

## d) Expenses recognised in the Statement of Profit and Loss consist of:

Particulars	March 31, 2023	March 31, 2022
Current Service Cost	42.75	17.66
Past Service Cost	-	-
Loss / (Gain) on settlement	-	-
Net Interest Income on the Net Defined Benefit Liability	4.89	3.78
Net Amounts recognised	47.64	26.84

## e) Expenses recognised in the Other Comprehensive Income consist of:

Particulars	March 31, 2023	March 31, 2022
Actuarial (gains) / losses due to:		
Change in demographic assumptions	-	-
Change in financial assumptions	(13.52)	(1.73)
Experience Variance (i.e. Actual experience vs assumptions)	73.98	1.68
Return on Plan Assets	(0.27)	0.04
Remeasurement arising because of change in effect of asset calling	-	-
Net Amounts recognised	68.28	0.64

## MERLIN PROJECTS LIMITED

Notes to Financial Statements as at and for the year ended March 31, 2023

## 42 Employee Benefits (contd.)

## i) Actuarial Assumptions

Particulars	March 31, 2023	March 31, 2022
<b>Financial Assumptions</b>		
Discount Rate p.a.	7.15%	6.20%
Rate of increase in salaries p.a.	3.00%	3.00%
<b>Demographic Assumptions</b>		
Mortality Rate (% of IALM 06-08)	100.00%	100.00%
Normal Retirement Age	60 Years	60 Years
Attrition Rates, based on age (% p.a.)		
Upto 10 years	0.00%	0.00%
From 11 years to 44 years	25.00%	25.00%
More than 44 years	5.00%	5.00%

## j) Sensitivity Analysis

Significant actuarial assumptions for the determination of the define benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

Particulars	March 31, 2023		March 31, 2022	
	Decrease	Increase	Decrease	Increase
Defined Benefit Obligation (Base)	350.43	322.51		
<b>Particulars</b>				
Discount Rate (-/+ 1%)	314.17	371.68	188.83	170.91
% change compared to base due to sensitivity	-4.91%	+16.96%	-5.05%	+4.51%
Salary Growth Rate (-/+ 1%)	277.71	301.42	171.39	186.45
% change compared to base due to sensitivity	-4.39%	+4.47%	-4.24%	+4.17%
Attrition Rate (-/+ 50%)	298.88	284.96	185.48	175.55
% change compared to base due to sensitivity	-2.50%	-1.89%	-2.63%	-1.92%
Mortality Rate (-/+ 10%)	290.55	298.36	179.13	178.85
% change compared to base due to sensitivity	0.00%	+0.00%	0.00%	-0.00%

## k) Maturity Profile of Defined Benefit Obligation

Particulars	March 31, 2023		March 31, 2022	
	5 Years	6 Years	5 Years	6 Years
Expected cash flows over the next (valued on undiscounted basis)				
1 Year	104.75	62.88		
2 to 3 years	52.52	31.19		
6 to 10 years	110.33	48.63		
More than 10 years	135.61	84.51		

## l) Summary of Assets and Liability (Balance Sheet Position)

Particulars	March 31, 2023	March 31, 2022
Present value of Obligation	290.45	178.99
Par Value of Plan Assets	111.95	100.11
Unrecognized Past Service Cost	-	-
Effects of Asset Ceiling	-	-
Net Asset / (Liability)	(178.50)	(178.88)

## j) Windup Liability / Discontinuance Liability

Particulars	March 31, 2023	March 31, 2022
Discontinuance Liability *	283.93	144.69
Present Value of Obligation	290.45	178.99
Ratio (PV of Obligation / Discontinuance Liability)	102%	124%

\* Discontinuance Liability is the amount that would be payable to the employees if all the obligations were to be settled immediately. It has been calculated ignoring the vesting criteria.

## k) Allocation of Plan Asset at the end Measurement Period

As per standard LIC policy, where the gratuity fund is maintained, invests 65% in government securities and 15% in listed equity securities of the amount contributed by Merlin Projects Limited.

**II) Geographical Segment**

The Company is operating in India (viz. Kolkata, Ahmedabad, Chennai, Pune and Raipur) which is considered as single geographical segment.

**44 Capital Management**

The Company's capital management is intended to create value for shareholders by facilitating the meeting of long term and short term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term strategic investment and expansion plans. The funding needs are met through cash generated from operations and short term bank borrowings.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company. Net debt includes interest bearing borrowings less cash and cash equivalents, other bank balances and current investments.

The table below summarises the capital, net debt and net debt to equity ratio of the Company.

Particulars	March 31, 2023	March 31, 2022
Equity Share Capital	763.33	763.33
Other Equity	45,079.21	41,411.81

**45 Disclosures on Financial Instruments (contd.)**

**II) Fair Value Hierarchy**

All Financial Assets & Financial Liabilities are carried at amortised cost except Investments, which have been fair valued using following Hierarchy.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement

The Following table represents the fair value hierarchy of financial assets and financial measured at fair value on recurring basis

Particulars	Fair Value Hierarchy Level	₹(Lakhs)	
		March 31, 2023	March 31, 2022
Financial Assets			
Investments	Level 1	4.02	3.96
Investments	Level 3	557.06	469.15

**III) Financial Risk Management**

In the course of its business, the Company is exposed primarily to market, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. The Company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. This note explains the sources of risk which the entity manages the risk and the related impact in the financial statements.

**A) Market Risk –**

Market Risk Comprises of Interest Rate Risk & Equity Price Risk

**i) Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

*Interest rate risk exposure*

The Company's variable rate borrowing is subject to interest rate. Below is the overall exposure of the borrowing:

Particulars	March 31, 2023	March 31, 2022
Variable rate borrowing	11,901.10	10,169.47
Fixed rate borrowing	75.61	29.13
Total borrowings	11,976.71	10,198.59

*Sensitivity*

Profit or loss and equity is sensitive to higher/lower interest expense from borrowings as a result of changes in interest

Particulars	March 31, 2023	March 31, 2022
Interest Sensitivity*		
Interest rates – increase by 100 basis point	119.01	101.69
Interest rates – decrease by 100 basis point	(119.01)	(101.69)

\* Holding all variables constant

**ii) Equity Price Risk**

Equity price risk is related to change in market reference price of investments in equity securities held by the Company. The fair value of quoted & unquoted investments held by the Company exposes the Company to equity price risks.

*Sensitivity Analysis*

Profit or loss and equity is sensitive to higher/lower prices of instruments on the Company's profit for the periods:

Particulars	March 31, 2023	March 31, 2022
Price Sensitivity		
Price increase by (5%)- FVTOCI	34.39	29.99
Price decrease by (5%)- FVTOCI	(34.39)	(29.99)

**MERLIN PROJECTS LIMITED**

Notes to Financial Statements as at and for the year ended March 31, 2023

**45 Disclosures on Financial Instruments (contd.)****B) Liquidity Risk –**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

The Company has obtained fund and non-fund based working capital facilities from various banks. The Company invests its surplus funds in bank fixed deposit which carry no or low market risk.

The following below analyses the Company's financial liabilities into relevant maturity groupings based on their maturities:

Particulars	₹(Lakhs)	
	March 31, 2023	March 31, 2022
<b>One Year or less</b>		
Borrowings	2,241.14	4,241.83
Trade Payables	3,729.73	2,382.89
Other Financial Liabilities	1,935.46	615.48
<b>More than One Year</b>		
Borrowings	9,735.57	5,956.76
Other Financial Liabilities	5,952.58	5,961.15

**C) Credit Risk –**

Credit risk is the risk of financial loss arising from counter-party failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness.

Financial instruments that are subject to credit risk principally consist of Trade Receivables, Loans Receivables, Investments, Cash and Cash Equivalents and Financial Guarantees provided by the Company. None of the financial instruments of the Company result in material concentration of credit risk.

The Company has a policy of dealing only with credit worthy counter parties as a means of mitigating the risk of financial loss from defaults. The Company manages risks through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business.
