TO WHOMSOEVER IT MAY CONCERN

It is hereby notified to all concerned that the Park View Tower, Block - B is an upcoming project of the TAPOBAN HOUSING DEVELOPMENT PRIVATE LIMITED and this project have only Stilt Parking and Shaded Parking areas.

In this connection, it is pertinent to mention that at the time of registering the said Project with the WBRERA, due to non-availability of options, we had mentioned that the Project have Open Parking although there is no such open parking available.

However, if in future, any such open parking areas are left out in the project area, the same will be handed over to the association of the Allottee of units therein for their use and the Developer of the Project will have no objection to such use of any such open parking space.

This is for information of all concerned.
