### INDEPENDENT AUDITORS' REPORT

### To the Members of EMAMI REALTY LIMITED

### Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanyingStandaloneFinancial Statements ofEMAMI REALTY LIMITED ("the Company"), which comprise the standalone Balance Sheet as at 31st March 2024, and the standalone Statement of Profit and Loss (including other comprehensive income), standalone Statement of Changes in Equity and standalone Statement of Cash Flowfor the year ended on that date, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act,2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards)Rules,2015,and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March2024, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing(SAs)specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Actand the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance of our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

CHARTERED ACCOUNTANTS
Firm Registration No.: 329088E

The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawaisanjay.com E-mail Id : agrawaltondon2019@gmail.com

### **Key Audit Matters**

### Accuracy of Recognition, measurement, presentation and disclosures of revenues and other related balances in view of Ind AS 115 "Revenue from Contracts with Customers".

The Company's most significant revenue streams involve sale of flats and plots.

Revenue is recognized post transfer of control of residential and commercial units to customers for the amount/ consideration which the company expects to receive in exchange for those units. The trigger for revenue recognition is normally completion of the project or receipt of approvals on completion from relevant authorities or intimation the customer completion, post which the contract becomes non-cancellable. company records revenue, over time till the actual possession to the customers, or on actual possession to the customers, as determined by the terms of contract with customers.

The risk for revenue being recognized presents a key audit matter due to the financial significance and geographical spread of the company's projects across different regions in India. Revenue recognition involves significant estimates related measurement of costs to complete for the projects. Revenue from projects is recorded based on the company's assessment of the work completed, costs incurred and accrued and the estimate of the balance costs to complete

### 2) Related Party Transactions

The Company has entered into several transactions with related parties during the year 2023-24. We identified related

### Auditor's Response

- Our audit procedures on Revenue recognition included the following:
- Evaluating the design and Implementation and tested operating effectiveness of key Internal controls over revenue recognition.
- Evaluating the accounting policies adopted by the Company for revenue recognition to check those are in line with the applicable accounting standards and their consistent application to the significant sales contracts.
- Scrutinizing the revenue journal entries raised throughout the reporting period and comparing details of a sample of these journals, which met certain risk-based criteria, with relevant underlying documentation.
- Testing timeliness of revenue recognition by comparing individual sample sales transactions to underlying contracts.
- Conducting site visits during the year for selected projects to understand the scope, nature and progress of the projects.
- Considering the adequacy of the disclosures in the standalone financial statements in respect of the judgments taken in recognizing revenue for residential and commercial property units in accordance with Indian Accounting Standards (Ind AS) 115

In view of the significance of the matter we applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

party transactions as a key audit matter because of risks with respect to completeness of disclosures made in the financial statements including recoverability thereof; compliance with statutory regulations governing related party relationships such as the and SEBI Companies Act, 2013 judgement the Regulations and assessing whether involved transactions with related parties are undertaken at arms' length.

- We carried out an assessment of the key controls to identify and disclose related party relationships and transactions in accordance with the relevant accounting standard.
- 2. We carried out an assessment of compliance with the listing regulations and the regulations under the Act, including checking of approvals/ scrutiny as specified in Sections 177 and 188 of the Act with respect to the related party transactions. In cases where the matter was subject to interpretation, we exercised judgement to rely on opinions provided by legal practitioners.
- 3.We considered the adequacy and appropriateness of the disclosures in the financial statements, including recoverability thereof, relating to the related party transactions.
- 4. For transactions with related parties, we inspected relevant ledgers, agreements and other information that may indicate the existence of related party relationships or transactions. We also tested completeness of related parties with reference to the various registers maintained by the Company statutorily.
- We have tested on a sample basis, Company's assessment of related party transactions for arm's length pricing

### **Emphasis Matters**

- A) The Company is 10% partner in Lohitka Properties LLP, Mumbai which is developing a real estate project, presently under construction. The accounts for the above entity are not yet finalized and thus not made available to the Company for incorporation in its accounts.
  - Accordingly, no effect of the profitability, if any, relating to the above entity has been considered in the accounts. Our conclusion on the statement is not modified in respect of this matter.
- B) Attention is invited to Note 12 and 57 of the financial statements wherein the Management of the Company, for reasons stated in the said note, has considered loan given to the Fort Projects Pvt Ltd amounting to Rs. 8509 lacs as good and optimistic for the recoverability of the same. Our conclusion on the statement is not modified in respect of this matter.

CHARTERED ACCOUNTANTS Firm Registration No. 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdenga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

### Information Other than the standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other Information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis Report, Corporate Governance and Shareholder Information but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, net profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from that the considered material

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

If, Individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those risks, and
  obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
  The risk of not detecting a material misstatement resulting from fraud is higher than for one
  resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the
  Act, we are also responsible for expressing our opinion on whether the Company has
  adequate internal financial controls system in place and the operating effectiveness of such
  controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
  accounting and, based on the audit evidence obtained, whether a material uncertainty exists
  related to events or conditions that may cast significant doubt on the Company's ability to
  continue as a going concern. If we conclude that a material uncertainty exists, we are
  required to draw attention in our auditor's report to the related disclosures in the financial
  statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are
  based on the audit evidence obtained up to the date of our auditor's report. However, future
  events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
  the disclosures, and whether the standalone financial statements represent the underlying
  transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be the other on our independence, and where applicable, related safeguards.

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of standalone financial statements of current period and are therefore key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including Other comprehensive income) the standalone Statement of Changes in Equity and the standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the accompanying standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules 2015, as amended.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup>March, 2024 taken on record by the Board of Directors, none of the Directors is disqualified as on 31<sup>st</sup> March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) As required by Section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our Information and according to the explanations given to us:

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

- The Company does not have pending litigations.
- The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- III. There is no such sum which needs to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a)The Management has represented that, to the best of it's knowledge and belief, in the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the "Ultimate Beneficiaries".
  - b) The Management has represented, that, to the best of it's knowledge and belief, in the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
  - c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our attention that causes us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- V The Company has not declared and paid dividend during the year.
- VI Proviso to Rule 3(1) of the Companies(Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is maintained by the Company.

### ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment, Investment property.
  - (B) The company has maintained proper records showing full particulars of intangible assets.
  - b) The Company has a regular programme of physical verification of Property, Plant & Equipment by which Property, Plant & Equipment are verified in a phased manner. In accordance with this programme, certain Property, Plant & Equipment including Right of use assets and Investment property were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
  - c) According to information and explanation given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
  - d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
  - e) The company has not hold any benami property under the Benami Transactions (Prohibition)
     Act, 1988 (45 of 1988).
- (ii) a) The inventories have been physically verified during the year by the Management at regular intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of physical verification by the management is appropriate.
  - b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets during any point of time of the year. Accordingly, reporting under Clause 3(ii)(b) of the Order is not applicable to the Company
- (iii) a) During the year the company has made investments, provide guarantee or security, granted loans or advances in the nature of loans, unsecured, to companies, Limited Liability Partnerships or any other parties.

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

(A) the aggregate amount during the year, and balance outstanding amount at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiaries and associates:

|  | Guarantees | Security | Loans                | Advances<br>in nature<br>of loans |
|--|------------|----------|----------------------|-----------------------------------|
| Aggregate<br>amount granted/<br>provided<br>during the year<br>-Subsidiaries<br>-Associates                          | *          |          | 8 lakhs<br>151 lakhs |                                   |
| Balance<br>outstanding as at<br>balance sheet<br>date in respect of<br>above cases<br>- Subsidiaries<br>- Associates |            | -        | 7 lakhs              |                                   |

(B) the aggregate amount during the year, and balance outstanding amount at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, and associates

|  | Guarantees | Security | Loans       | Advances<br>in nature<br>of loans |
|--|------------|----------|-------------|-----------------------------------|
| Aggregate<br>amount granted/<br>provided during the<br>year<br>-Others                         |            |          | 24,744 lacs |                                   |

- b) The investments made, guarantees provided, security given and the terms and conditions of the grant of loans and advances in the nature of loans and guarantees provided are not prejudicial to the company's interest.
- c) In respect of loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular

CHARTERED ACCOUNTANTS Firm Registration No.: 32908BE The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

- There is no overdue amount in respect of loans granted to such companies or other parties.
- No further loans has been given to settle old dues.
- The company has granted loans or advances in the nature of loans Repayable on demand.

|   | All<br>Parties | Promoters | Related<br>Parties |
|---|----------------|-----------|--------------------|
| Aggregate amount of<br>loans/ advances in<br>nature of loans<br>- Repayable on demand | 50,488 lacs    |           | 38,791 lacs        |
| Percentage of loans/<br>advances in nature of<br>loans to the total loans             | 100%           |           | 76.83%             |

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 of the Act with respect to the loans, guarantees and securities made. Further the provisions of section 186 of the Act with respect to the loans, guarantees and securities are not applicable to the Company, being an Infrastructure Company as defined under Schedule VI to the Act.
- (v) The Company has not accepted any deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposit) Rules, 2014 as amended.
- (vi) As explained to us, the Company has maintained cost records prescribed by the Central Government under sub-section (1) of section 148 of the Act.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Goods & Services Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at 31stMarch2024 for a period of more than slx months from the date on which they became payable.
  - (b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been recorded in the books of accounts.

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

- (a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
  - b) The company is not declared wilful defaulter by any bank or financial institution or other lender.
  - c) Term loans were applied for the purpose for which the loans were obtained.
  - d) Funds raised on short term basis have not been utilised for long term purposes.
  - e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates.
  - f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies.
- (a)To the best of our knowledge and belief and according to the information and explanations given to us, The Company did not raise any moneys by way of initial public offer or further public offer (including debt instrument) during the year. Accordingly, reporting under Clause 3(x)(a) of the Order is not applicable to the Company.
  - (b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, reporting under Clause 3(x)(b) of the Order is not applicable to the Company.
- a) According to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.
  - b) No report under Section 143(12) of the Act has been filed with the Central Government for the period covered by our audit.
  - c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under Clause 3(xii) of the Order is not applicable to the Company.
- xii) In our opinion and according to the information and explanations given to us by the management, all transactions with the related parties are in compliance with section 177 and 188 of the Act and the details have been disclosed in the standalone financial statements as required by the applicable accounting standards.
  - xiv) (a) The company has an internal audit system commensurate with the size and nature of its business.
    - (b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit

According to the information and explanations given to us and based on our examination of records of the Company, the Company has not entered any non-cash transactions with

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kolkata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

Directors or persons connected with them. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable.

- xvi) (a)In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under Clause 3(xvi) of the Order is not applicable to the Company
  - b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year.
  - c) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.
  - d)Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has two CIC as part of the Group
- xvii) The company has incurred cash losses amounting Rs 18,450 lacs in the financial year and Rs 5717 lacs in the immediately preceding financial year.
- xviii) There has not been any resignation of the statutory auditors during the year. Accordingly, reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx) Sub-section (5) of section 135 regarding corporate social responsibility is not applicable to the company. So, such clause of the order is not applicable.

### ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 ("the Act")

### Opinion

We have audited the internal financial controls over financial reporting of **EMAMI REALTY LIMITED** as of 31<sup>st</sup> March2024 to the extent of records available with us, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal financial controls over financial reporting criteria established by the Company considering the essentials components of the internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting Issued by the Institute of Chartered Accountants of India (the "Guidance Note").

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable, to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of such internal financial controls over financial reporting, assessing the material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors including the assessment

ered Account

CHARTERED ACCOUNTANTS Firm Registration No.: 329088E The Chambers, Suite No. 307, 3rd Floor 1865 Rajdanga Main Road, Kasba Opposite Gitanjali Stadium West Bengal, India, Kokata - 700 107 Website - www.agrawalsanjay.com E-mail Id : agrawaltondon2019@gmail.com

of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Notes to Financial Statements

1.1 Corporate Overview

Emami Realty Limited is a public company domiciled in India and incorporated on 4th January, 2008 under the provisions of the Companies Act applicable in India. Its shares are listed on the BSE Limited (BSE), The National Stock Exchange of India Limited (NSE) and The Calcutta Stock Exchange Limited (CSE). The registered office of the Company is located at Acropolis, 13th Floor, 1858/1 Rajdanga Main Road, Kasba, Kolkata – 700107.

The Company is carrying on the business of real estate development.

The standalone Ind AS Financial Statements of the Company for the year ended 31° March, 2024 were authorised for issue in accordance with a resolution of the Board of Directors on 30th May, 2024.

1.2 Basis of Preparation of Financial Statements

These standalone financial statements for the year ended 31" March 2024 have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules 2016. These financial statements are prepared under the historical cost conversion on the accrual basis except for certain financial instruments which are measured at fair values.

### 1.3 Material Accounting Policies

1.3.1 Operating Cycle

The Operating Cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has evaluated and considered its operating cycle as 3 to 5 years and accordingly has reclassified its assets and liabilities into current and non-current.

An asset is treated as current when it is:

Expected to be realised or to be sold or consumed in normal operating cycle

- Held primarily for the purpose of trading

- Expected to be realised within twelve months after the reporting period, or

 Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

It is expected to be settled in normal operating cycle

- It is held primarily for the purpose of trading

- It is due to be settled within twelve months after the reporting period, or

 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

1.3.2 Foreign Currency Transactions & Translations

The functional currency of the Company is Indian Rupees. The Financial Statements are prepared and presented in Indian Rupees and has been rounded off to the nearest lakhs, unless otherwise stated.

Transactions in foreign currencies entered into by the Company are translated to the Company's functional currency at the exchange rates prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

### Notes to Financial Statements

Foreign exchange gains and losses resulting from the settlement of transactions in foreign currencies and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Statement of Profit & Loss.

Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rates at the dates of transactions. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date of the fair valuation. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss, respectively).

1.3.3 Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) at the end of the reporting period and the reported income and expenses during the year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

1.3.4 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.3.5 Property, Plant and Equipment

Property, plant and equipment are carried at cost of acquisition on current cost basis less accumulated depreciation and accumulated impairment if any. Cost comprises purchase price and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

Depreciation is provided on written down value method over the estimated useful lives of property, plant and equipment and is in line with the requirement of Part C of Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.3.6 Intangible Assets

Intangible Assets are recognized only when future economic benefits arising out of the assets flow to the enterprise and are amortised on Straight Line Method over their estimated useful life of five years. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

1.3.7 Capital Work-in-Progress and Intangible Assets under Development

Capital work-in-progress and intangible assets under development are carried at cost. Cost includes land, related acquisition expenses, development / construction costs, borrowing costs and other direct expenditure.

### Notes to Financial Statements

### 1.3.8 Investment Property & Depreciation

(i) Recognition & measurement

Investment properties are properties held to earn for capital appreciation or income rentals or both. Investment properties are held initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognised as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company. All other repairs and maintenance are charged to Statement of profit and loss as incurred.

 Depreciation on investment property is provided using the written down method based on useful lives specified in Schedule II to the Companies Act, 2013.

1.3.9 Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

### 1.3.10 Inventories

Inventories are valued at lower of Cost or Net Realisable Value.

Construction-work-in progress includes cost of land, premium for development rights, construction costs, allocated interest and expenses incidental to the projects undertaken by the Company.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

### 1.3.11 Revenue Recognition

Revenue is recognized when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company applies the revenue recognition criteria to each nature of revenue transaction as below:

In terms of Ind AS 115, Revenue from Contracts with Customers to be recognised at a point of time (project completion method) upon satisfaction of performance obligation at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transfer of goods or services to customers.

Interest Income is recognised using the effective interest method and is included under the head 'Other Income' in the Statement of Profit and Loss.

### Notes to Financial Statements

Dividend Income including share of profit in LLP is recognised when the Company's right to receive dividend is established.

All other incomes are recognised on accrual basis.

### 1.3.12 Employee Benefits

a. Defined Contribution Plan - Provident Fund

The Company makes contributions towards provident fund to the regulatory authorities to a defined contribution retirement benefit plan for qualifying employees.

b. Defined Benefit Plan - Gratuity

The Company's liability is actuarially determined using the Projected Unit Credit method at the end of the year in accordance with the provision of Ind AS 19 - Employee Benefits. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income and are not reclassified to profit or loss in subsequent periods. The effect of any plan amendments are recognized in the Statement of Profit & Loss.

c. Long Term Compensated Absences

The Company's liability is actuarially determined using the Projected Unit Credit method at the end of the year in accordance with the provision of Ind AS 19 - Employee Benefits. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/ (asset) are recognized in Statement of Profit & Loss.

### 1.3.13 Income Tax

Tax expense comprises current and deferred tax.

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is provided using the balance sheet method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates and laws that have been enacted or substantially enacted by the end of the reporting period, electing not to exercise the option permitted under Section 115BAA of the ITA, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019 and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

### Notes to Financial Statements

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date, electing not to exercise the option permitted under Section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Act, 2019.

### 1.3.14 Leases

The Company at the inception of a contract, assesses whether a contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. The determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated over the useful life of the asset. On the balance sheet date, the right-of-use of asset is included in property, plant and equipment and lease liabilities have been included in the borrowings and other financial liabilities.

Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

As a lessor

Lease income from operating leases, where the Company is a lessor, is recognised in income on a straightline basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

1.3.15 Provisions and Contingencies

A provision is recognized when an enterprise has a present obligation (legal or constructive) as a result of past event; it is probable that an outflow of resources passes conomic benefits will be required to settle the

### Notes to Financial Statements

obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

1.3.16 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

1.3.17 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

### 1.3.18 Financial Instruments

a) Recognition and Initial Measurement

The Company recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs in relation to financial assets and financial liabilities, other than those carried at fair value through profit or loss (FVTPL), are added to the fair value on initial recognition. Transaction costs in relation to financial assets and financial liabilities which are carried at fair value through profit or loss (FVTPL), are charged to the statement of profit and loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

### b) Classification and Subsequent Measurement of Financial Assets

i) Debt Instruments

For the purpose of subsequent measurement, financial assets in the nature of debt instruments are classified as follows:

Amortised Cost - Financial assets that are held within a business model whose objective is to hold the asset in order to collect contractual cash flows that are solely payments of principal and interest are subsequently measured at amortised cost less impairments, if any. Interest income calculated using effective interest rate (EIR) method and impairment less, if any are recognised in the statement of profit and loss.

### Notes to Financial Statements

Fair Value Through Other Comprehensive Income (FVTOCI) - Financial assets that are held within a business model whose objective is achieved by both holding the asset in order to collect contractual cash flows that are solely payments of principal and interest and by selling the financial assets, are subsequently measured at fair value through other comprehensive income. Changes in fair value are recognized in the other comprehensive income (OCI) and on de-recognition, cumulative gain or loss previously recognised in OCI is reclassified to the statement of profit and loss, Interest income calculated using EIR method and impairment loss, if any are recognised in the statement of profit and loss.

Fair Value Through Profit or Loss (FVTPL) - A financial asset which is not classified in any of the above categories are subsequently measured at fair valued through profit or loss. Changes in fair value and income on these assets are recognised in the statement of profit and loss.

ii) Equity Instruments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c) Classification and Subsequent Measurement of Financial Liabilities For the purpose of subsequent measurement, financial liabilities are classified as follows:

Amortised cost - Financial liabilities are classified as financial liabilities at amortised cost by default. Interest expense calculated using EIR method is recognised in the statement of profit and loss.

- i) Borrowings After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. Gains and losses are recognised in the statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.
- ii) Trade and Other Payables These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year. The amounts are generally unsecured. Trade and other payables are presented as current liabilities unless payment is not due within the Company's operating cycle. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Fair Value Through Profit or Loss (FVTPL) - Financial liabilities are classified as FVTPL if it is held for trading, or is designated as such on initial recognition. Changes in fair value and interest expense on these liabilities are recognised in the statement of profit and loss.

Financial Guarantee Contracts - Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to 1000 best the lender for a loss it incurs because the

### Notes to Financial Statements

specified borrower fails to make a payment when due in accordance with the terms of a loan agreement. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

### d) Derecognition of Financial Assets and Financial Liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows including risks and rewards of ownership.

A financial liability is derecognised when the obligation under the liability is discharged or expires.

### e) Impairment of Financial Assets

Financial assets that are carried at amortised cost and fair value through other comprehensive income (FVTOCI) are assessed for possible impairments basis expected credit losses taking into account the past history of recovery, risk of default of the counterparty, existing market conditions etc. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition.

For Trade receivables, the Company provides for expected credit losses based on a simplified approach as per Ind AS 109 – Financial Instruments. Under this approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset.

### f) Offsetting of Financial Instruments

Pinancial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### g) Fair Value Measurement

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

### 1.3.19 Segment Reporting

Based on the "management approach" as defined in Ind AS 108 - Operating Segments, the Board of Directors/Chief Operating Decision Maker evaluates the Company's performance based on an analysis of various performance indicators by business segment. Segment revenue and expenses include amounts which can be directly attributable to the segment and allocable on reasonable basis. Segment assets and liabilities are assets / liabilities which are directly attributable to the segment or can be allocated on a reasonable basis. Income / expenses / assets / liabilities relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated income / expenses / assets / liabilities.

### 1.4 Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

### 1.5 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the Standalone Financial Statements. Otherwise, events after the balance sheet date of page at 1500 nature are only disclosed.

### b. Rights, preferences and restrictions attached to Equity Shares

The Company has only one class of equity shares having a par value of £2/- per share. Each holder of equity shares is entitled to one vote per share. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

### EMAMI REALTY LIMITED Notes to Financial Statements

### Sensitivity Analysis:-

Significant actuarial assumptions for determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumption occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period.

### b) Financial instruments at amortized cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fact values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or softled.

c) During the year there has been no transfer from one level to another

### Notes to Financial Statements

### 41 Financial cish management objectives and policies

The Company's principal financial liabilities competes of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include inventories, trade and other receivables, loans and raen & cush equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Management oversees the management of those risks and ensures that the Company's financial risks activities are governed by appropriate policies and procedures and that finance risk are identified, measured and managed in accordance with the Company's policies and risk objectives.

### A. Credit Risk

Credit risk is the risk of less that may arise on outstanding financial instruments if a counter party default on its obligations. The Company's exposure to credit risk arises trajectly from trade receivables and other financial assets.

Other financial assets like bank deposits, advances and security deposits are with banks, government bodies, utility providers contractors and others and hence, the Company does not expect one credit risk with respect to trade receivables and other financial assets.

With respect to tindo receivables, the Company has constituted teams to review the receivables on periodic basis and take necessary mitigations whenever required. The following table summarizes the change in the loss allowance measured using EC.

| Reconciliation of Loss Allowance | Traile Receivables | Security Deposits |
|----------------------------------|--------------------|-------------------|
| As on April 1, 2022              |                    | -                 |
| Allowance for Expoenal           |                    |                   |
| Credit Loss                      | -                  | -                 |
| As on March 31, 2023             |                    |                   |
| Allowance for Expected           |                    |                   |
| Credit Loss                      |                    |                   |
| As on March 31, 2024             |                    | -                 |

### B. Liquidity Risk

The Company's principal sources of liquidity are borrowing, Bank overdrafts, lears from bodies corporate, debentures and cash and cash against and the cash flow that is generated from operations. The Company believes that these are sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

The table below summarises the maturity profile of the Company's Financial liabilities at the reporting date. The amounts are based on contractual undiscounted payments

### C. Market Risk

### a. Interest Rate Risk

The Company has taken debt to finance its working capital, which exposes it to interest rate risk. Borrowings issued at uniable rates expose the Company to interest rate risk.

( W.Lakles

| Particulars             | 31st March 2034 | 31st March 2023 |
|-------------------------|-----------------|-----------------|
| Variable rate borrowing | 28,999          | 22,816          |
| Fixed rate borrowing    | 1,65,514        | 1,34,667        |
| Fotal borrowings        | 1.94,513        | 1.57.483        |

Market risk is the risk from fluctuation in the fair value of future cash flows from financial instruments because of change in market price. Market risk comprises two type of risk intenst rate risk and other price risk, such as equity price risk and commodity/real estate-risk.

The Company is affected by the price volatility of certain commodities/real estates. Its operating activities require the origining development of real estate. The Company's management has developed and enacted a risk management strategy regarding commodity/real estate price risk and its mitigation. The Company is subject to the price risk variables, which are expected to vary in line with the prevailing market conditions.

### Interest rate sensitivity

The following trible demonstrates the sensitivity to a reasonably possible change in interest rate, with all other variables held constant. The impact on entity's profit before tax is due to change in the fair value of borrowings.

( Fin Labor)

| Return on investment                | Interest income, net gain on sale of investments and net fair value<br>gain over weighted average investments | 4.45%           | 4.47%           | -0.60%     |

### Notes:

EBIT - Earnings before interest and taxes

PBIT - Profit before interest and taxes including other income.

PAT - Profit after taxes

Debt includes current and non-current lease liabilities.

Adjusted expenses refers to sub-contractor charges and other expenses net of non-cash expenses and donations

Capital employed refers to total shareholders' equity and debt.

Investments includes non-current investment, current investment and margin-money deposit,

Explanation for variances exceeding 25%;

\* Because of decrease in short-term borrowings

\*\* Because of lower income

### 50 Capital Management

The Company's objective when managing capital (defined as net debt and equity) is to safeguard the Company's ability to continue as a going concern in order to provide returns to the shareholders and benefit for other stakeholders, while protecting and strangthening the Balance Share through the appropriate balance of debt and equity funding. The Company manages its capital structure and makes adjustments to it, in light of changes to economic conditions and strategic objectives of the Company.

### Notes to Financial Statements

The Company monitors capital using a guaring ratio, which is total debt divided by total equity as below.

( Fin Lakhs)
