**Subject: Commencement Details**

Respected Sir,

With the subject matter mentioned above this is to intimate you that the construction work of residential building project namely "RK SUNVILLA", which has received building sanction plan from Burdwan Municipality, has already commenced and generally Burdwan Municipality does not issue any commencement certificate and therefore we don't have any commencement certificate. Burdwan Municipality generally issued sanction letter, site plan and sanction plan and we have uploaded all these documents.

This is for your information.

Thanking you
