- (A) allow BAPL a cure period of one year from the date of completion of the Airport in all respects, for ensuring commercial operation of the Airport; the cure period as provided in clause 18.3.1 above shall not apply in this case.
- (B) If after the expiry of the cure period as aforesaid, BAPL is unable to attract carriers to run a regular passenger / freight service through the Airport, WBIDC shall terminate the lease of the Airport Land and upon such termination of lease, BAPL shall hand over the possession of the Airport Land to WBIDC free from all encumbrances without requiring WBIDC to make any upfront payment / refund in relation to the Airport Land and/or the structures created and development carried out by BAPL over the Airport Land;
- (C) WBIDC shall make reasonable attempts to transfer the Airport Land along with the structures and developments thereon, through a process of bidding, for operationalizing the Airport without undue delay. For the purpose of conducting a process of bidding by WBIDC, a joint committee will be formed by equal representation from WBIDC and BAPL. The committee shall make best effort to transfer the Airport Land with the objective of operationalizing the Airport. The committee shall also get the valuation of the structures and developments on the Airport Land done by a valuer of repute. The bidding process shall be completed within 18 months from the date of formation of the committee and within which time at least three rounds of bids, if necessary, should have been completed. BAPL would

provide necessary co-operation for the successful completion of the bidding process.

It being clarified and specifically understood between the Parties that:

- (1) if prior to transfer of the Airport Land by WBIDC to another operator / developer for operationalizing the Airport, in the manner provided hereinbefore, BAPL is able to arrange for commercial flights through the Airport, WBIDC shall restore the lease of the Airport Land in favour of BAPL for the remaining period and shall hand over the possession of the Airport Land along with all structures and developments thereto free from all encumbrances to BAPL; and
- (2) BAPL shall not be liable to pay premium or any other form of penalty with respect to the Balance Land.

(D) The realization from the transfer of the Airport by WBIDC shall be dealt with in the following manner:

- (1) in the event that the amount realized from the transfer of the Airport by WBIDC ("**Realised Amount**") is more than the (i) cost of acquisition of the Airport Land paid by BAPL to WBIDC; and (ii) the value (as assessed by a valuer of repute) of the structures and development thereto (the cost and value mentioned in (i) and (ii) above hereinafter collectively referred to as "**Value of the Airport**"). WBIDC shall pay to BAPL an amount equal to the Value of the Airport;

- (2) in the event that the Realized Amount is less than or equal to the Value of the Airport, WBIDC shall pay BAPL 90% of the Realized Amount.
- (3) It being clarified and agreed to between the Parties that the expenses incurred for the bidding shall be realized by WBIDC from BAPL.

- (d) Consequences of BAPL Event of Default mentioned under clause 18.2 (iii)

In the event that the Default Notice had been served by WBIDC with respect to BAPL Event of Default mentioned under clause 18.2 (iii), BAPL shall:

- (A) In the event that there is reduction in the approved area for "IT & Industrial Park" and for "Rehabilitation & EWS Zone" by BAPL, without prior consultation with WBIDC and put on record, WBIDC shall impose financial penalty or cancel the lease for the area which has been reduced from the approved area for "IT & Industrial Park" and for "Rehabilitation & EWS Zone" and forms a part of the Said land.

- (B) If there is deviation in the land use from the approved land use by the assignees of BAPL in the "IT & Industrial Park", WBIDC shall at its own discretion either direct BAPL, or may on its own, cancel / terminate the assignment / transfer of the leasehold rights by BAPL in favour of such assignees / transferee in relation to such part and parcels of the Said Land comprising the IT & Industrial Park and with respect to which the deviation in land use has taken place and resume the relevant part and parcels of the Said Land forthwith. In the event that BAPL, or WBIDC, so resume such parts and parcels of the Said Land, WBIDC

agree that any cost or expenditure incurred in putting such part and parcels of the Said Land under the intended usage shall be recoverable from such assignee / transferee and BAPL shall in no way be liable for payment of / incurring such costs and expenditures. WBIDC shall, in consultation with BAPL, decide upon the new assignee and the new assignee shall ensure adherence to the approved land use.

(C) In case assignment of land in the "Rehabilitation & EWS Zone" is made by BAPL to Persons not eligible for such assignment then WBIDC shall forthwith cancel such assignment and resume the land which forms a part of the said Land and restore it to Persons eligible. The costs incurred for such resumption and reassignment of land shall be realizable by WBIDC from BAPL.

(D) Any transfer or assignment by BAPL to a Third Party shall be subject to default clauses mentioned herein and such transferees or assignees shall mutatis mutandis be governed by the default clauses.

18.3.2 The Parties agree that notwithstanding anything contained herein none of the third party rights created by BAPL on the Said Land or any part thereof, including but not limited to the rights of the Person in whose favour BAPL has transferred / assigned its leasehold interests in the Said Land or any part thereof, shall be prejudicially affected in any manner whatsoever by any action taken by the Parties under any of the provisions of this Lease Deed or the JVDA (including those related to the termination of this Lease Deed) and such third party rights shall continue to subsist. However, in the circumstances mentioned under clause 18.3.1 (iii) (b) and (c), wherein the possession of the Airport Land is required to be handed over by BAPL in favour of WBIDC, the same shall be handed over without any encumbrances and the third party rights if created on such Airport Land shall stand extinguished.

18.3.3 Any reference in this clause 18 to the "cost of acquiring/ purchasing or otherwise procuring the Said Land/Phase I Project Land or any part thereof paid by BAPL to WBIDC" shall include lease premium.

18.3.4 Notwithstanding anything contained herein, WBIDC's obligation to refund lease premium and for cost of procurement of land and/or value of structures to BAPL wherever referred to above in clause 18 shall be restricted to such land which is resumed back by WBIDC from BAPL and or its assignees/transferees in accordance to the provisions contained herein. It is clarified that WBIDC shall not be liable to refund any money for such land in respect to which assignment, transfer, novation has been made by BAPL in favour of its assignees, developers or third party end users, except in case any such land is resumed back by WBIDC from BAPL and/or its assignees, developers or third party end users.

18.3.5 The termination of the lease pursuant to this Lease Deed shall be without prejudice to all other rights and obligations that the Parties may have under the JVDA.

19. The Lessor agrees to indemnify the Lessee from and against any and all losses as may be suffered by the Lessee as a result of any defect in the Lessor's title over the Said Land and/or defect in the Lessor's capacity and/or authority to create leasehold interests over the Said Land in favour the Lessee.

20. In the event that the Said Land is acquired under law by any Governmental Authority, any compensation that has been received by the Lessor in relation to such acquisition shall be forthwith handed over to the Lessee. The Lessee shall have the sole right over such compensation and if the same is received by the Lessor, the Lessor shall hold the same in trust for the Lessee till the same is handed over to the Lessee.

21. Dispute Resolution

21.1 If any dispute or difference or claims of any kind arises between the Parties in connection with construction, interpretation or application of

any terms and conditions or any matter or thing in any way connected with or arising out of this Lease Deed, or the rights, duties or liabilities of any Party under this Lease Deed, whether before or after the termination of this Lease Deed, then the Parties shall meet together within seven (7) days from the date of written request made by any Party, in an effort to resolve such dispute, difference or claim by discussion between them.

21.2 Arbitration

In the event the dispute or difference or claim, as the case may be, is not resolved by amicable settlement within thirty (30) days from the date of such dispute, the same shall be finally settled by binding arbitration under the Arbitration and Conciliation Act, 1996. The arbitration shall be conducted by a panel of three arbitrators. WBIDC and BAPL shall appoint one arbitrator each. The two arbitrators so appointed shall appoint the third arbitrator. The appointment of arbitrators shall be made by the Parties within 15 days from the date of request made by the Party making a written request to the other party to submit the dispute to arbitration. It is however clarified that in the event any Party fails to appoint an arbitrator, such Party shall be deemed to have waived its right to appoint arbitrator and the sole arbitrator shall be deemed to constitute the arbitral tribunal. The place of arbitration shall be Kolkata but by agreement of the Parties, the arbitration hearings, if required, can be held elsewhere from time to time. The award passed by the majority of the arbitrators shall be binding on the Parties. The fees and expenses of the arbitrators and all other expenses of the arbitration shall be initially borne and paid by the respective Parties subject to determination by the arbitrators. The arbitrators may provide in the arbitral award for the reimbursement to the prevailing Party of its costs and expenses in bringing or defending the arbitration claim, including legal fees and expenses incurred by such Party.

21.3 Waiver of right to appeal

Each of the Parties hereby expressly waives any relevant laws and regulations, decrees or policies having the force of law that would otherwise give a right to appeal against the decision of the arbitration

panel, and the Parties agree that no Party shall appeal to any court against the award or decision contained therein.

22. The courts at Kolkata shall have exclusive jurisdiction over all matters arising out of or relating to this Lease Deed.
23. Any delay, inability, omission or failure of any Party to exercise any of its rights hereunder shall not affect or impair or be deemed to be a waiver of its rights under this Lease Deed and neither shall it be deemed to affect or impair its rights with respect to any continuing or subsequent default of the other Party of the same or different nature.
24. No amendment or modification or waiver of any provision of this Lease Deed, nor consent to any departure by any of the Parties there from, shall in any event be valid and effective unless the same is in writing and signed by the Parties or their duly authorized representative especially empowered in this behalf and registered and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.
25. Unless otherwise stated, notices to be given under this Lease Deed including but not limited to a notice of waiver of any term, breach of any term of this Lease Deed and termination of this Lease Deed, shall be in writing and shall be given by hand delivery, recognized courier, or registered post with acknowledgement due and delivered to the Parties at their registered office address of the respective parties or such address as may be duly notified by the respective Parties from time to time, and shall be deemed to have been made or delivered (i) in the case of delivery by hand, when delivered (ii) in case of recognized courier, three Business Days after dispatch by recognized courier and (iii) by registered post, five Business Days after dispatch properly addressed by registered post with postage properly paid. In case any Party changes its address, communication numbers, or directed attention as set forth above, it shall notify the other Party in writing prior to the adoption thereof.
26. If for any reason whatsoever any provision of this Lease Deed is or becomes invalid, illegal or unenforceable or is declared by any court of

competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not prejudice or affect the remaining provisions of this Lease Deed which shall continue in full force and effect. The Parties will negotiate in good faith with a view to agreeing upon one or more provisions which may be substituted, as nearly as is practicable, in place of such invalid, illegal and unenforceable provision. Provided failure to agree upon any such provisions shall not be subject to the dispute resolution procedure under this Lease Deed or otherwise.

27. At all times after the date hereof the Parties shall execute all such documents and do such acts, deeds and things as may reasonably be required for the purpose of giving full effect to the provisions of this Lease Deed.
28. The representations, warranties, covenants and provisions contained herein that by their nature survive, shall survive any termination of this Lease Deed.
