- The course of life is not a straight line. It is a winding path. It is a path of discovery. It is a path of growth. It is a path of learning. It is a path of experience. It is a path of wisdom. It is a path of love. It is a path of hope. It is a path of faith. It is a path of courage. It is a path of strength. It is a path of resilience. It is a path of perseverance. It is a path of determination. It is a path of commitment. It is a path of dedication. It is a path of passion. It is a path of purpose. It is a path of meaning. It is a path of fulfillment. It is a path of joy. It is a path of happiness. It is a path of peace. It is a path of harmony. It is a path of unity. It is a path of brotherhood. It is a path of sisterhood. It is a path of friendship. It is a path of love. It is a path of life.
