in the Common Areas and Installations are to be transferred to the Purchaser. It also appears from Section 5(2) of the WB Apartment Ownership Act, 1972 that undivided interest in the common areas and facilities shall be deemed to be conveyed or encumbered with the Apartment even though such interest is not expressly mentioned in the conveyance. Accordingly, there is contradiction, ambiguity and/or lack of clarity regarding transfer of the undivided proportionate share in the Common Areas and Installations. Further as per the registration procedure followed by the Registration Authorities in West Bengal for registering Deeds of Conveyance regarding the said Apartment, the market valuation of the said Apartment is to be ascertained from the website of the Registration Authorities and the same is required to be approved by the Registration Authorities for enabling the Deeds of Conveyance to be registered. The Market Valuation e-Assessment Slip regarding any Apartment can be generated only on the basis of super built-up area which includes the undivided proportionate share in the Common Areas and Installations and market valuation is made on such basis taking into consideration the undivided proportionate share in the Common Areas and Installations. Stamp duty and registration fees are payable on the basis of such valuation including undivided proportionate share in the Common Areas and Installations without which the Deed of Conveyance cannot be registered. Under the aforesaid circumstances, it is not possible for the Owner and Promoter to execute this Deed of Conveyance in favour of the Purchaser only in respect of the said Apartment excluding the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. Further and in any event, presently there is no procedure for registration of a Deed of Transfer/Conveyance of undivided proportionate share in the Common Areas and Installations in favour of the Association without any consideration. The consideration for the undivided proportionate share in the Common Areas and Installations is being paid by the Purchaser and no amount is or shall be receivable by the Promoter from the Association. Under the circumstances, at present there is no practical method of transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association without payment of any consideration. In view of the above situation, the Promoter has no option but to execute this Deed of Conveyance in favour of the Purchaser transferring also the undivided proportionate share in the Common Areas and Installations since the stamp duty and registration fees are being paid by the Purchaser on such basis and in as much as the ultimate aim of the Real Estate (Regulation and Development) Act, 2016 including Section 17 thereof and Annexure A of the Rules is that the Promoter should not retain ownership of the undivided proportionate share in the Common Areas and Installations which should be transferred to the Purchaser and/or for his/her benefit to the Association. Under such circumstances, the Promoter is hereby

Sudesh Kumar

Purchaser in making payment of the municipal and other rates taxes (if applicable) and outgoings, electricity charges, maintenance charges and proportionate liability towards the Common Expenses (including those mentioned in the **Fourth Schedule** within the due dates and in the manner mentioned hereunder, the Promoter in their sole discretion and without prejudice to the other rights and remedies available to the Promoter, be entitled to meet out of the said deposit the amount under default. At the time of handover of the common areas and the common purposes to the Association/ Maintenance Company, the Promoter shall transfer the balance lying in the said deposit account of the Purchaser to the Association / Maintenance Company.

1. MAINTENANCE OF THE SAID APARTMENT/PROJECT
