### Sub: Stage wise plan and specifications

Dear Sir,

In the project "GULMOHAR" the plan of development works to be executed and the proposed facilities to be provided thereof are stated below:

#### Project Specifications:

1. Fire-Fighting: External yard hydrant system considered with centralized pumping system.
2. Emergency Evacuation services: As the buildings are of low height (G+2), emergency evacuation services are not applicable.
3. Use of Renewable Energy:Harvesting storage tank
4. And other facilities and amenities of the project:
  - Sewage treatment plant,
  - Lush green parks / gardens for all family members,
  - Jogging track
  - Kids' play area
  - Clubhouse
  - CCTV surveillance
  - Drinking water facility
