Dear Sir,

In the project "Begraj Prakriti" the plan of development works to be executed and the proposed facilities to be provided thereof are stated as below.

Project Specifications:

1. Fire-Fighting: Fire extinguisher for safety in different parts of building along with adequate water storage facility.
2. Drinking-Water Facility: Yes, borewell water is being provided in the project.
3. Emergency Evacuation services: Fire rescue platform is being provided in each residential block, so that in case of fire or any other emergency the residents can approach the closet platform.
4. Use of Renewable Energy: Not applicable in the project.

Thanking you,

Shyam Agarwal
