Notes forming part of the Financial Statements

NOTE 2: Corporate Information

The company having corporate and registered office at 48/1A Dr. Suresh Sarkar Road, Kolkata 700014 engaged in real estate related activities.

NOTE 2: Significant Accounting Policies

a) Basis of Preparation of Financial Statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under section 133 of the Companies Act 2013 ("Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified)/Companies Act, 1956 ("the 1956 Act") as applicable. Accounting Policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the economic policy hitherto in use. The financial statements have been prepared on the accrual basis under the historical cost convention except for certain categories of fixed assets that are carried at revalued amounts.

vi) Use of Estimates:

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities including disclosure of contingent liabilities on the date of financial statements and the reported amount of revenue and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known and materialized.

#### 2.1 FIXED ASSETS:

Fixed assets are stated at cost less accumulated depreciation. Cost comprises the purchase price less creditable duties, taxes and levies, and any directly attributable cost of bringing the asset to its working condition for the intended use. Exchange Difference arising on repayment or reinstatement of foreign currency liabilities incurred are adjusted in the carrying amount of respective fixed assets. The amount incurred for capital items not ready for their intended use on reporting date are disclosed under capital work in progress.

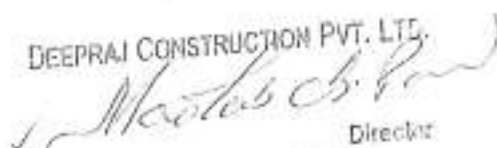

#### 2.2 DEPRECIATION AND AMORTISATION:

Effective from 1st April, 2014, the Company depreciates its fixed assets over the useful life in the manner prescribed in Schedule II of the Companies Act 2013, as against the earlier practice of depreciating at the rates prescribes in Schedule XIV of the Companies Act, 1956.

#### 2.3 REVENUE RECOGNITION :

Revenue for engineering contract work executed is recognized on the basis of percentage completion method and only after the work has progressed to the extent of 25% in each composite contract. Till such time, all costs are carried forward to next accounting year as 'Development Work in Progress' under 'Inventories'. Recognition of revenue is matched with expenses incurred (on accrual basis) after considering the contract value with associated costs.

DEEPAJ CONSTRUCTION PVT. LTD.

  
Director

DEEPAJ CONSTRUCTION PVT. LTD.

  
Director

**2.4 INVENTORIES:**

Inventories are valued at cost. All direct and indirect expenses attributable to the project are being charged to inventories.

**2.5 PROJECT UNDER DEVELOPMENT:** The Company is carrying on Construction work at different sites and debiting all the related direct Expenditure to their respective projects, under the head "Project Under Development" till the project completed

**2.6 EARNING PER SHARE:**

The earnings considered in ascertaining the Company's Earnings Per Share comprise net profit after tax. The number of shares (nominal value of Rs.10/-) used in computing Basic Earnings Per Share is weighted average number of shares outstanding during the year.

**2.7 ACCOUNTING FOR TAXES ON INCOME:**

Current Tax is determined as amount of tax payable in respect of taxable income for the year based on applicable tax rates and law.

Deferred Tax is recognised, subject to the consideration of prudence, on timing differences, being difference between taxable and accounting income/expenditure that originate in one period and are capable of reversal in one or more subsequent period(s). Deferred tax assets are not recognized unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets will be realized.

**2.8 IMPAIRMENT OF ASSETS:**

The Company assesses at each Balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account. If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Provision for impairment is recognized on each Balance Sheet Date.

**2.9 PROVISIONS AND CONTINGENT LIABILITIES:**

a. Provisions are recognized when the Company has a legal and constructive obligation as a result of a past event, for which it is probable that a future outflow will be required and a reliable estimate can be made on the amount of the obligation.

b. Contingent Liabilities are disclosed when the Company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation.
