**An authenticated copy of the approvals and commencement certificate from the competent authority obtained in accordance with the laws as may be applicable for the for the real estate project mentioned in the application, and where the project is proposed to be developed in phases, an authenticated copy of the approvals and commencement certificate from the competent authority for each of such phases**

As per the prevailing rule, a project needs to obtain Fire License if any of the following criteria satisfied: the height of the building is more than 15 mtr, the project has a basement in its plan, and the project is more than a single tower project. However, as per the attached plan, the height of the building is less than 15 MTR, the project has no basement, and the project is a single tower project. Hence, the project is exempted from obtaining Fire License.

The project is situated in the district of East Medinipur. There is no Air Port in proximity to the project. Hence, it is also exempted from obtaining Air Port Authority NOC.

However, permission of Haldia Development Authority has been obtained and attached herewith.
