

Stacking of building materials and  
bedding of public roads is liable for  
taxation. Municipality may require these  
materials as proof of compliance with  
the provisions of the act. (Section 101)  
for building materials.  
Section 101

When information in the prescribed form is to be submitted  
to the Department of Municipal Affairs, the  
form must be accompanied by a receipt of completion certificate  
issued by the Department of Municipal Affairs.  
The receipt of completion certificate is  
issued by the Department of Municipal Affairs.  
Section 101
