B. INTERPRETATIONS: For the benefit of the Allottee a list of important points pertinent to this Agreement are briefly stated hereunder for a clear interpretation:

<u>SL.NO</u>	<u>SUBJECT</u>	<u>CLAUSE</u>
--------------	----------------	---------------

1	<u>GST ON MAINTENANCE</u>	All Unit Owners (Allottee) shall have to pay GST on Maintenance cost as applicable. Payment of GST on <i>Vendors</i> ' Bill is mandatory and cannot be avoided under any circumstances as it is part of the expenses. Besides this, the Unit Owner also has to pay GST on the amount of Bill raised for Common Maintenance Charges every month as applicable but input credit of tax paid on <i>Vendor's bills will be set off</i> against GST liabilities on Maintenance Bills. .
2.	<u>INDIRECT TAXES AND LEVIES</u>	The Allottee shall be liable to pay all levies, charges, cess, Indirect Taxes, assignments of any nature whatsoever (present or future) in respect of the Unit or otherwise shall be solely and exclusively borne and paid by the Allottee. All Direct Taxes in respect of Profit (if any) earned from the development and sale to the Allottee shall be borne by the Promoter.
3.	<u>POSSESSION AFTER COMPLETION</u>	After obtaining Completion Certificate/partial completion certificate from the Competent Authority upon

submission of the approval certificate from the technical specialists like the Architect, Structural or Foundation Engineers or others, if any, as per statute or otherwise signifying that the Unit/building is ready and habitable, the Promoter shall issue Notice of Possession to the Allottee whereupon the Allottee has to take possession immediately and not later than 15 days as the 45th day will be considered as '*DEEMED POSSESSION*' and

immediately the Allottee becomes liable to pay Maintenance Charges. Besides If the Allottee does not take possession of the flat on or within 15 days from the date of Notice of possession guarding charges will be applicable.

The work approval certificates issued by the technical specialists required for the issue of CC / partial cc shall be construed as a defect-free completion of the building and any claim by the Allottee or his consultant shall not be entertained or shall not be a valid ground for refusal of accepting possession by the Allottee. Possession cannot be delayed on the pretext of minor defects or some common area work is still continuing. If there be any minor defect the Promoter will rectify it. The Promoter will rectify all constructional defects over the next five years so there is no logical ground available to the Allottee for delaying possession. If the Unit Owner himself wants to get the work done he can give prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement. At the time of handover, the customer will have to make the final payment and take handover of his flat .

If the Allottee has requested for some extra work /modification and Promoter has agreed to complete such work, completion

		<p>of this work will not be necessary for taking possession of the Flat and the Builder will do such work only after possession is taken by the Allottee.</p> <p>The same principle shall apply when the Common areas will be handed over to the Association of Apartment Owners who cannot delay the hand over on the ground that some Common areas of the Phase/Project are not complete or some rectifications are pending. Association may also get the work done by itself by giving prior information to the Promoter and get the cost approved before getting the work done and claim reimbursement. Some facilities may be provided or installations made after the entire complex has received CC.</p>
<u>4</u>	<u>NORMAL WEAR AND TEAR</u>	<p>It may be noted that there may be some normal wear and tear of the building through efflux of time due to factors like seasonal expansion and contraction and/or settlement of the structure; hair thin cracks, localized dampness as a percentage of human error within normal limits and is a natural occurrence since buildings are manmade and not a machine made product. Even if an Unit is kept closed for protracted period there may be faults appearing for non-use. All structural factors are considered and taken into account before CC is granted. Hence, the appearance of minor faults at a time lag is natural. In spite of all that promoter will rectify all the defects for five years. These defects will not imply any fault on the part of the Promoter. Repairing cost of False ceiling will be part of Maintenance expense.</p>
<u>5</u>	<u>ADDL CONSTRUCTION IN FLATS/APARTMENTS/UNITS</u>	<p>No Additional Construction on the exterior of Buildings or apartment is permissible. No internal changes allowed and Allottees</p>

		cannot request Promoter for even minor modification as per rules as the Allottee can get it done only after getting possession. No request for change will be entertained by the promoter as that would delay project completion since it requires re- sanction without which we will not get the completion certificate (CC).
6.	<u>RETAINED AREA OF THE PROMOTER</u>	The Promoter may at its option keep aside a demarcated area in any portion of the Project area for future own use or further development. This Area will be termed as the ' <i>RETAINED AREA</i> '. The Promoter will have the liberty to put this area to specific use in future as he may deem fit and proper. If the Promoters utilize the retained area for their own use and share the common facilities and amenities of the Complex they shall also partake in the share of the common expenses. Likewise if the Retained area is developed as an additional phase of the Complex in future, the Allottees of such additional phase shall also pay their share of the Common expenses. In both cases Maintenance will be charged on per Square feet of constructed area basis and not on land area basis.
9.	<u>CHANGE IN ALLOTMENT</u>	If Allottee wants to change his allotted Flat and shift to another he has to first cancel the present allotment and Re-book a new flat which is available at a new price. Refund will be adjustable in the new booking and no amount ever will be paid physically to the Allottee.

<p><u>10.</u></p>	<p><u>AMOUNT OF MAINTENANCE CHARGES IS AN ESTIMATE ONLY</u></p>	<p>The figure of Maintenance Expenses provided in the Agreement is only an estimate and this approximate figure is not a commitment. The said amount is subject to inflation increases as per market factors (currently estimated @7.5 to 10 % per annum). The Unit Owners will be liable to pay the actual Maintenance Charges that will be worked out by the Maintenance In Charge at the end of the year. Audited accounts will be furnished by us.</p> <p>It is very pertinent to note that the Promoter shall always endeavour at the additional cost to allottees to adopt ways and means to minimize the cost of maintenance by ensuring that the entire lighting of the common areas is effected by solar power; auto irrigation of the landscaped area; adopting access control and implementing CC TV ; sensor based boundary wall with boom barriers; Main gate security; Auto-pump and automatic DG facility etc. and all these measures directly resulting in lowering of maintenance cost . All these charges will be provided from Sinking Fund if not provided by the Promoter as part of the Facilities separately and specifically</p> <p>Further, the charges for enjoying club facilities and receipts from <i>visitor's</i> parking will be collected and thereafter credited to the Maintenance Account to further reduce the incidence of cost and make it self-sustainable. Facility Usage Charges will be decided in such a way that all the costs of services will be recovered from the users based on number of persons using the facilities. Further expenditure of a capital nature like Solar panel etc to be expended out of Sinking Fund will also</p>
--------------------------	--	---

		<p>bring about a reduction in the Maintenance Charges.</p> <p>If Unit Owners are not satisfied with the Maintenance Charges and/or the audited accounts they may hire the services of a reputed Auditor like big four and in that case the expense for taking their services will also form part of the Maintenance charges. The Auditor appointed by the Unit Owners can in consultation with the Project Auditors appointed by the Promoter, jointly do a fair audit of the actual charges incurred and if they decide that some expenses can be reduced, we will abide by such advice. It may however be noted that under any circumstances actual expenses incurred cannot be reduced. In such case reduction in cost can only be effected by withdrawal of some services or agency.</p> <p>The Allottee shall be obliged to pay the Maintenance Charges in advance as per the said estimate. The Facility Manager shall provide reconciliation of the expenses towards CAM charges after end of the relevant financial year and the parties hereto covenant that any credit /debit thereto shall be settled by adjustment (i.e +/-) in the last two bills at the end of the financial year..</p>
<p><u>11.</u></p>	<p><u>RUBBISH THROWN FROM HIGHER FLOORS</u></p>	<p>Rubbish thrown from higher floors will attract imposition of penalty since cleanliness of the entire Complex is of paramount importance. Some of the Units on the lower floors may have attached open terraces. Unit Owners in the higher floors must take more care (if lower floor unit has Terrace) not to throw any material from the higher floors which may litter the terraces below. Higher than normal Penalty will be imposed in case of willful misconduct so due care should be taken to prevent such</p>

		mishappenings.
<u>12.</u>	<u>UTILIZATION OF FLAT BY PROMOTER BEFORE CC</u>	During construction, the Promoter shall be entitled to temporarily use a fully/partially constructed Flat but for which CC is yet to be obtained, for use as a store or for the purpose of labour stay or any other use and the Allottee shall not object to the same that he is getting an used flat. This will not apply to Units after grant of CC.
<u>13.</u>	<u>DAMAGE</u>	<p>In case of any complaint regarding cracks, damp flooring etc. at the time of taking possession, the Promoter remains responsible to make good the same upto 5 years. It is however to be noted that claims for only constructional defects shall be honoured and not collateral or consequential damages or losses.</p> <p>Besides the above, in order to retain the fitness, appearance and aesthetics of the Building blocks it will be a mandatory responsibility cast on the Association/Promoter to do structural repair and color painting of the exterior of the Building blocks at interval of every five years/or as may be required time to time by utilizing the accretions to the Sinking Fund which will be formed out of collections @ 20% more than the normal Maintenance Charges every month and invested in F.D.</p>
<u>14.</u>	<u>AVOID FRIVOLOUS COMPLAINTS</u>	In case the Unit Owner of the Floor above is away and there is a leak which is temporarily affecting the Unit on the floor below the Allottee will be expected to bear with the same over a reasonable time till return of the Unit Owner of the Unit above. If the Owner above is not cooperating we may force open the door to rectify the defect and again repair the door at the cost of the Association. If the Owner of the lower flats is also not available we can follow the same procedure to prevent continuous

		<p>leakage of water.</p> <p>If the Allottee of a Unit does any internal repair work in the toilet imperfectly which leads to leakage through the tiles affecting the floor below the damage to false ceiling or other damage if any done shall be compensated by the Allottee causing such damage.</p>
17.	<u>PLACEMENT OF DG, TRANSFORMERS ETC</u>	<p>Placement of Transformers, DG, air-conditioners etc. shall be done as per the advice of the Architect and none of the Allottees individually or collectively shall have any right to object to the same or to have the installations relocated on the ground of inconveniences caused.</p>
18.	<u>MUNICIPAL WATER</u>	<p>It is very clearly stated that the Promoter</p> <p>has neither any role nor any responsibility to arrange supply of Municipal Water if it is not being provided by the concerned Authorities.</p>
19.	<u>VERBAL UNAUTHORISED COMMUNICATION TO BE IGNORED</u>	<p>The Agreement entered into by and between the Promoter and the customer is sacrosanct. Any other written or verbal communication inconsistent with the terms of the Agreement made by any person, who is not an authorized representative of the Promoter, is to be ignored completely.</p>

23.	<p><u>MUTATION AND ELECTRICITYMETER</u></p>	<p>The Allottee shall be liable and responsible at its own cost and expenses to apply for and obtain the mutation of the Apartment in the records of the concerned authorities within a period of 15(fifteen) days from the date of possession and shall keep the Owners and the Promoter indemnified against any loss, claims and/or demand that may be incurred by or may arise against the Owner and/or the Promoter due to non fulfillment and/or non observance of this obligation by the Allottee.</p> <p>Mutation of the Unit and obtaining electricity meter shall be the absolute responsibility of the Unit Owner and if required, the Promoter will only have an advisory role. The Promoter may appoint a consultant at reasonable cost to help the Unit Owners in these matters.</p> <p>(i) <u>For Electricity Connection</u></p> <p>The Promoter shall assign a fixed project wise outsource person who will coordinate with all Allottees for Electricity Connection process, this details are given below:</p> <p>Otherwise Allottees can follow the below</p>
