Respected Sir,

The plan of development works to be executed in the proposed project and the proposed facilities to be provided thereof including drinking water facilities, use of renewable energy in our project "RADHE SHYAM RESIDENCE" is as follows:

Project Specifications:

- 1. Drinking Water Facility:** Clean and Safe Drinking water is of utmost importance for personal hygiene. Also uninterrupted water supply is one of the basic needs for human life. In view of the above we have installed a Bore Well connected to a underground water reservoir of 50,400 liters with a overhead Tank of Capacity of 13,248 liters connecting all over the premise.
- 2. Use of Renewable Energy:** All our energy demands are met by West Bengal State Electricity Distribution Company Limited. We do not have any installation what so ever for production, distribution or use of renewable energy.
