Sir,

In the project "AMBEY SQUARE" the plan of development works to be executed and the proposed facilities to be provided thereof are stated below.

Project specification:

1. Fire Fighting: Underground water reservoir having water capacity of 150000 ltrs. and overhead water reservoir having capacity of 10000.ltrs. exclusively for fire fighting purpose with replenishing arrangements @ 1000 ltrs/min. preferably from two different sources of water supply shall be provided. The water reservoirs shall have overflow arrangement with the domestic water reservoir as well as to avoid stagnancy of water. The water reservoir shall be kept full at all time. 150 mm dia ring bend & 100 mm dia riser with single out let landing valve shall have to be provided. The automatic sprinkler system shall have to be installed for entire building . Alarm Gong to be incorporated along with the sprinkler system.
2. Drinking Water facility: Ground water to be drawn through Bore well and will be supplied through piped network after necessary treatment.
3. Emergency Evacuation Services: Fire Check Door and Fire Refuge Platform
4. And other facilities and amenities of the project which are provided : NA
