- i) The interest which the Owner and the Promoter professes to transfer subsists and that the Promoter has good right full power and absolute authority to grant, sell, convey, transfer, assign and assure unto and to the use of the Allottee the said Apartment in the manner aforesaid.

It is expressly agreed and understood that the Promoter shall not be

liable to rectify any defect occurring under the following circumstances:

- a. If there are changes, modifications or alteration in plumbing pipes and fittings and fixtures or change of wall or floor tiles after the Allottee taking over possession of the Said Apartment, the Promoter will not take any responsibility of waterproofing, cracks or any defect in plumbing pipes and fittings and fixtures that have developed directly or indirectly due to such changes;

- v) The Promoter undertakes to co-operate with the Purchaser and provide necessary support and sign and execute all necessary documents so as to enable the Purchaser's name to be reflected in all

concerned government records as the sole, exclusive and absolute owner of the Unit at the cost of the Purchaser.

- vi) The Promoter has paid all outgoings before transferring the physical possession of the Apartment to the allottees, which it has collected from the allottees, for the payment of outgoings (including land cost, municipal or other local taxes, charges for water or electricity, maintenance charges, including mortgage loan and interest on mortgages or other encumbrances and such other liabilities payable to competent authorities, banks and financial institutions ,which are related to the project and within the scope of the Promoter). If the promoter fails to pay all or any of the outgoings collected by it from the allottees or any liabilities, mortgage loan and interest thereon (which are within the scope of the Promoter) before transferring the Unit to the Allottees, the promoter agrees to be liable, even after the transfer of the property, to pay such outgoings and penal charge, if any, to the authority or person to whom they are payable and be liable for the cost of any legal proceedings which may be taken therefor by such authority or person.

III. THE PROMOTER DOETH HEREBY REPRESENT AND WARRANT TO THE PURCHASER as follows:

The Promoter doeth hereby repeats and reiterates all representations and warranties, as made in the Sale Agreement and in addition to that further represents and warrants to the Purchaser that:

- i) The Owner and Promoter assures the Purchaser that the Owner and

Promoter has the right to execute this Deed of Conveyance and has not committed or omitted to perform any act or thing, whereby the right title and interest of the Purchaser created herein, maybe prejudicially affected.

- ii) the Unit and the Project are complete in all respect, habitable and have been constructed and developed without any workmanship or quality or structural defect.

- iii) The transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in the name of the Allottee is being done in the capacity of the Allottee as a trustee on behalf of and for the benefit of the Association /Maintenance Company (as applicable) to be ultimately formed for the Project and that the Allottee shall transfer the proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable) at its own costs at the appropriate time after formation of the Association / Maintenance Company (as applicable) and/or at such time when all the Allottees of different Units transfer their proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable). The Promoter is under an obligation to transfer in favour of the Allottee the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. From Section 17 of the Real Estate (Regulation and Development) Act, 2016 it appears that the undivided proportionate title in the Common Areas and Installations is to be transferred to the Association in addition to

handing over of the Common Areas and Installations to the Association. However, from Clause 10 of Annexure 'A' to the West Bengal Real Estate (Regulation and Development) Rules, 2021 it appears that by the Deed of Conveyance, title of the said Apartment together with proportionate indivisible share in the Common Areas and Installations are to be transferred to the Allottee. It also appears from Section 5(2) of the WB Apartment Ownership Act, 1972 that undivided interest in the common areas and facilities shall be deemed to be conveyed or encumbered with the Apartment even though such interest is not expressly mentioned in the conveyance. Accordingly, there is contradiction, ambiguity and/or lack of clarity regarding transfer of the undivided proportionate share in the Common Areas and Installations. Further as per the registration procedure followed by the Registration Authorities in West Bengal for registering Deeds of Conveyance regarding the said Apartment, the market valuation of the said Apartment is to be ascertained from the website of the Registration Authorities and the same is required to be approved by the Registration Authorities for enabling the Deeds of Conveyance to be registered. The Market Valuation e-Assessment Slip regarding any Apartment can be generated only on the basis of super built-up area which includes the undivided proportionate share in the Common Areas and Installations and market valuation is made on such basis taking into consideration the undivided proportionate share in the Common Areas and Installations. Stamp duty and registration fees are payable on the basis of such valuation including undivided proportionate share in the Common Areas and Installations without which the Deed of Conveyance cannot be registered. Under the aforesaid circumstances, it is not

possible for the Promoter to execute this Deed of Conveyance in favour of the Purchaser only in respect of the said Apartment excluding the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. Further and in any event, presently there is no procedure for registration of a Deed of Transfer / Conveyance of undivided proportionate share in the Common Areas and Installations in favour of the Association without any consideration. The consideration for the undivided proportionate share in the Common Areas and Installations is being paid by the Allottee and no amount is or shall be receivable by the Promoter from the Association. Under the circumstances, at present there is no practical method of transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association without payment of any consideration. In view of the above situation, the Promoter has no option but to execute this Deed of Conveyance in favour of the Allottee transferring also the undivided proportionate share in the Common Areas and Installations since the stamp duty and registration fees are being paid by the Allottee on such basis and in as much as the ultimate aim of the Real Estate (Regulation and Development) Act, 2016 including Section 17 thereof and Annexure A of the Rules is that the Promoter should not retain ownership of the undivided proportionate share in the Common Areas and Installations which should be transferred to the Allottee and/or for her benefit to the Association. Under such circumstances, the Promoter is hereby discharging its obligation of transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment in favour of the

Allottee herein with the understanding that the Allottee shall hold the same in trust for the Association / Maintenance Company (as applicable) to be formed in future in respect of the Project and shall transfer the same to such Association / Maintenance Company (as applicable) in accordance with law, if and when clarity is available on the above issue. If necessary, the Promoter agrees to join as a party to such deed and/ or document for transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable). The stamp duty and registration fees, if any, for such transfer shall be payable by the Purchaser proportionately along with all the Allottees of the Project.

**IV. THE ALLOTTEE DOETH HEREBY COVENANT WITH THE
PROMOTER as follows:**

- A. The Allottee so as to bind himself to the Promoter and the other allottees and so that this covenant shall be for the benefit of the Project and other Apartments therein hereby covenants with the Promoter and with all the other allottees that the Allottee and all other persons deriving title under them will at all times hereafter observe the terms conditions covenants restrictions set-forth herein and also in the said Sale Agreement, which shall apply mutatis mutandis.

- B. The Purchaser hereby acknowledges that it is his/her/its obligation and liability to make payment of all rates, taxes and all other outgoings whether local state or central in respect of his/her/it

Unit from the date or deemed date of delivery of possession of the said Apartment to the Purchaser and shall be liable to make payment as and when the same becomes due and payable without raising any objection whatsoever or howsoever and agrees to indemnify and keep the Owner and the Promoter and the Association saved harmless and fully indemnified of and from against all losses damages costs claims actions and proceeding including litigation cost suffered by the Promoter for non-payment or delay in payment of the same.

- C. In terms of the Sale Agreement, the Allottee has at or before the execution hereof deposit and/or keep deposited with the Promoter a sum of **Rs. _____/- (Rupees _____)** only to remain in deposit with the Promoter and in the event of any default by the Allottee in making payment of the municipal and other rates taxes (if applicable) and outgoings, electricity charges, maintenance charges and proportionate liability towards the Common Expenses (including those mentioned in the **Fourth Schedule**) within the due dates and in the manner mentioned hereunder, the Promoter in their sole discretion and without prejudice to the other rights and remedies available to the Promoter, be entitled to meet out of the said deposit the amount/s under default. At the time of handover of the common areas and the common purposes to the Association / Maintenance Company, the Promoter shall transfer the balance lying in the said deposit account of the Allottee to the Association/Maintenance Company.

V. MAINTENANCE OF THE SAID APARTMENT/ PROJECT

The Promoter shall be responsible to provide and maintain the Project, including the Common Areas and Installations and the essential services, till taking over of the maintenance of the Project by the Association of Allottees subject to Allottees making payment of the maintenance charges agreed under these presents.

The terms conditions covenants restrictions etc., pertaining to use and enjoyment of the Common Areas and Installations of the Project are contained in **Annexure "A"** hereto and all the Allottees of the said Apartment shall be bound and obliged to comply with the same.

VI. RIGHT TO ENTER THE APARTMENT FOR REPAIRS

The Promoter / maintenance agency / association of allottees, as the case may be, shall have rights of unrestricted access of all Common Areas, for providing necessary maintenance services and the Allottee agrees to permit the Promoter / association of allottees and/or maintenance agency to enter into the said Apartment or any part thereof, after due prior notice and during the normal working hours, unless emergent circumstances warrant otherwise, with a view to set right any defect.

VII. USAGE

Use of Basement and Service Areas: The basement and service areas, if any, as located within the Project, shall be earmarked for purposes such as services including but not limited to electric sub-station, transformer, DG set rooms, underground water tanks, pump rooms, maintenance and service rooms, firefighting pumps

and equipment's, waiting room(s) / storage room(s) / changing room / washroom for staff etc. and other permitted uses as per sanctioned plans. The Allottee shall not be permitted to use the basement and services areas in any manner whatsoever, other than those earmarked as parking spaces and the same shall be reserved for use by the association of allottees formed by the Allottees for rendering maintenance services.

VIII. COMPLIANCE WITH RESPECT TO THE APARTMENT:

- 1.1 The Allottee shall, after taking possession, be solely responsible to maintain the said Apartment at his/her/its own costs, in good repair and condition and shall not do or suffer to be done anything in or to the said Project, or the said Apartment or the staircases, lifts, common passages, circulation areas, atrium or the compound which may be in violation of any laws or rules of any authority or change or alter or make additions to the said Apartment, and keep the said Apartment, its walls and partitions, sewers, drains, pipe and appurtenances thereto or belonging thereto, in good and tenantable repair and maintain the same in a fit and proper condition and ensure that the support, shelter etc. of the Project are not in any way damaged or jeopardized.
- 1.2 The Allottee further undertakes, assures and guarantees that he/she/it would not put any signboard/name-plate, neon light, publicity material or advertisement material etc. on the face / façade of the Building or anywhere on the exterior of the Project therein or the Common Areas. The Allottees shall also not change the colour scheme of the outer walls or painting of the exterior side

of the windows or carry out any change in the exterior elevation or design. Further the Allottee shall not store any hazardous or combustible goods in the said Apartment or place any heavy material in the common areas of the Project. The Allottee shall also not remove any wall including the outer and load bearing wall of the said Apartment.

- 1.3 The Allottee shall plan and distribute its electrical load in conformity with the electrical systems installed by the Promoter and thereafter the association of allottees and/or maintenance agency appointed by the association of allottees. The Allottee shall be responsible for any loss or damages arising out of breach of any of the aforesaid conditions.

IX. OTHER PROVISIONS:

9.1 Save the said Apartment the Allottee shall have no right nor shall claim any right whatsoever or howsoever over and in respect of other Apartments and spaces or constructed areas to the extent not forming part of the Common Areas and Installations and the Promoter shall be absolutely entitled to use, enjoy, transfer, sell and/or part with possession of the same and/or to deal with the same in any manner and to any person and on any terms and conditions as the Promoter, in its absolute discretion, shall think fit and proper and the Allottee hereby consents to the same and agrees not to obstruct or hinder or raise any objection with regard thereto nor to claim any right of whatsoever nature over and in respect of the said areas and spaces belonging to the Promoter exclusively.

9.2 The said Apartment is liable to be assessed to municipal tax for the quarter subsequent to the quarter in which the said Apartment has been granted Full Completion Certificate. The Allottee shall within _____ months from the date hereof apply for at her own costs separate assessment and mutation of the said Apartment in the records of the concerned authorities.

9.3 In case of any amount (including maintenance charges) being due and payable by the Allottee to the Promoter and/or the Maintenance In-Charge, the Allottee shall not be entitled to let out, transfer or part with the possession of the said Apartment till the time the same are fully paid and No Dues Certificate is obtained from the Promoter and/or the Maintenance In-Charge or the association of allottees, as applicable.

9.5 The Promoter shall in its sole discretion be entitled to sell transfer deal with and/or otherwise dispose off the Parking Spaces and parking rights and/or grant to any allottee the right to park

motor cars and/or other vehicles in or at the Parking Spaces save and except the Parking Spaces allotted to the Allottee herein

9.6 The Allottee shall have no connection whatsoever with the purchasers /buyers of the other Units and there shall be no privity of contract or any agreement arrangement or obligation or interest as amongst the Allottee and the other Allottees (either express or implied) and the Allottee shall be responsible to the Promoter for fulfillment of the Allottee's obligations and the Allottee's obligations and the Promoter's rights shall in no way be affected or prejudiced thereby.

9.7 The properties and rights hereby transferred to the Allottee is and shall be one lot and shall not be partitioned or dismembered in part or parts in any manner. It is further agreed and clarified that any transfer of the said Unit by the Allottee shall not be in any manner in consistent herewith and the covenants herein contained shall run with the land.

9.8 Notwithstanding anything to the contrary contained elsewhere in this Deed, it is expressly declared that the transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in the name of the Allottee is being done in the capacity of the Allottee as a trustee on behalf of and for the benefit of the Association / Maintenance Company (as applicable) to be ultimately formed for the Project and that the Allottee shall transfer the proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable) at its

own costs at the appropriate time after formation of the Association / Maintenance Company (as applicable) and/or at such time when all the Allottees of different Units transfer their proportionate undivided indivisible impartible share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable). The Promoter is under an obligation to transfer in favour of the Allottee the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. From Section 17 of the Real Estate (Regulation and Development) Act, 2016 it appears that the undivided proportionate title in the Common Areas and Installations is to be transferred to the Association in addition to handing over of the Common Areas and Installations to the Association. However, from Clause 10 of Annexure 'A' to the West Bengal Real Estate (Regulation and Development) Rules, 2021 it appears that by the Deed of Conveyance, title of the said Apartment together with proportionate indivisible share in the Common Areas and Installations are to be transferred to the Allottee. It also appears from Section 5(2) of the WB Apartment Ownership Act, 1972 that undivided interest in the common areas and facilities shall be deemed to be conveyed or encumbered with the apartment even though such interest is not expressly mentioned in the conveyance. Accordingly, there is contradiction, ambiguity and/or lack of clarity regarding transfer of the undivided proportionate share in the Common Areas and Installations. Further as per the registration procedure followed by the Registration Authorities in West Bengal for registering Deeds of Conveyance regarding flats/apartments, the market valuation of the flats/apartments is to be ascertained from the website of the

Registration Authorities and the same is required to be approved by the Registration Authorities for enabling the Deeds of Conveyance to be registered. The Market Valuation e-Assessment Slip regarding any flat/apartment can be generated only on the basis of super built-up area which includes the undivided proportionate share in the Common Areas and Installations and market valuation is made on such basis taking into consideration the undivided proportionate share in the Common Areas and Installations. Stamp duty and registration fees are payable on the basis of such valuation including undivided proportionate share in the Common Areas and Installations without which the Deed of Conveyance cannot be registered. Under the aforesaid circumstances, it is not possible for the Promoter to execute this Deed of Conveyance in favour of the Purchaser only in respect of the said Apartment excluding the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment. Further and in any event, presently there is no procedure for registration of a Deed of Transfer / Conveyance of undivided proportionate share in the Common Areas and Installations in favour of the Association without any consideration. The consideration for the undivided proportionate share in the Common Areas and Installations is being paid by the Allottee and no amount is or shall be receivable by the Promoter from the Association. Under the circumstances, at present there is no practical method of transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association without payment of any consideration. In view of the above situation, the Promoter has no option but to execute this Deed of Conveyance in favour of the Allottee

transferring also the undivided proportionate share in the Common Areas and Installations since the stamp duty and registration fees are being paid by the Allottee on such basis and in as much as the ultimate aim of the Real Estate (Regulation and Development) Act, 2016 including Section 17 thereof and Annexure A of the Rules is that the Promoter should not retain ownership of the undivided proportionate share in the Common Areas and Installations which should be transferred to the Allottee and/or for his benefit to the Association. Under such circumstances, the Promoter is hereby discharging its obligation of transfer of the proportionate undivided indivisible impartible share in the Common Areas and Installations in respect of the said Apartment in favour of the Allottee herein with the understanding that the Allottee shall hold the same in trust for the Association / Maintenance Company (as applicable) to be formed in future in respect of the Project and shall transfer the same to such Association / Maintenance Company (as applicable) in accordance with law, if and when clarity is available on the above issue. If necessary, the Promoter agrees to join as a party to such deed and/or document for transfer of undivided proportionate share in the Common Areas and Installations in favour of the Association / Maintenance Company (as applicable). The stamp duty and registration fees, if any, for such transfer shall be payable by the Purchaser proportionately along with all the Allottees of the Project.

9.9 The Allottee shall be and remain responsible for and indemnify the Promoter and the Maintenance In-charge against all damages costs claims demands and proceedings occasioned to the said Project or any other part of the Project or to any person due to

negligence or any act deed or thing made done or occasioned by the Allottee and shall also indemnify the Promoter against all actions claims proceedings costs expenses and demands made against or suffered by the Promoter as a result of any act omission or negligence of the Allottee or the servants agents licensees or invitees of the Allottee and/or any breach or non-observance non-fulfillment or non-performance of the terms and conditions of the Sale Agreement and these presents to be observed fulfilled and performed by the Allottee.

9.10 The Project at the said Land shall bear the name " _____ " unless changed by the Promoter from time to time in its absolute discretion and the Logo " _____ " shall always be displayed at a prominent place in the Project.

9.11 The paragraph heading(s) do not form a part of this Indenture and have been given only for the sake of convenience and shall not be taken into account for the construction or interpretation thereof
