Subject: Updation on the status of our Completed Project "Skyline Profulla" having registration no. WBHIRA/P/KOL/2018/000061

Dear Madam/Sir,

We, Skyline Projects, are writing to address an issue regarding our project registered under WBHIRA with the registration number WBHIRA/P/KOL/2018/000061.

This project was initially registered under HIRA and was duly completed and handed over to our purchasers during the transitional period from WBHIRA to RERA. The property registration for all units has been duly completed.

In the recent RERA updates, we noticed a request for project details. We wish to inform you that this project has already been completed, as evidenced by the Completion Certificate dated 13.07.2021 issued by the Kolkata Municipal Corporation (K.M.C). This document confirms that the project met all legal and statutory requirements upon completion.

We respectfully request your office to update your records accordingly and confirm that no further details or actions are required concerning this project. Please find the attached copy of the Completion Certificate for your reference.

Should any additional clarification or documentation be needed, we would be happy to provide the same.

We appreciate your cooperation and understanding in this matter.

Warm regards,

For SKYLINE PROJECTS
