

Block-8

A photograph of a modern multi-story apartment building. The building features a white facade with prominent red decorative elements around the windows and balconies. The windows are dark, and the balconies have white railings. The building is set against a clear sky. In the foreground, there is a dark, possibly black, tarp or covering. To the left, another building under construction is visible, with scaffolding and a partially completed structure. The text "Block-8" is overlaid in a large, bold, red font across the middle of the image.
