Ref: Your application to us vide no. SCS/2018-19/.015, dt: 30.07.2018.

Sir,

With reference to above mentioned application, we would like to inform you, our Municipality will supply required portable water from our supply network to your project during the construction and operational phases.

We would like to inform you that, our Municipality runs a Central Sewerage Treatment Plant which is capable enough to take the waste water discharge load from your project through its integrated sewerage network.

As per the solid waste is concerned, you are requested to install an on-site compost plant for treatment of organic waste from your complex. Inorganic part of the generated solid waste will be collected from your site by our concerned department daily basis.

Please note that, all the above stated services will be provided to you against the deposition of requisite fee.

Thanking you,

Yours faithfully

  
Chairman  
Serampore Municipality
