Subj: Application to arrange common service connection at lower load for the project "Arpan" at 68 SB Das Road Kolkata - 700149

Dear Sir,

This is to inform you that, I, Sri Sudip Ghosh want to request you to arrange common service connection at lower load at premises no - 68 SB Das Road as the electric line which was there was cut from your side from 23.11.19.

I would also like to inform you that I have already applied and have also paid the quotation amount as per WBSEDCL procedure for the transformer for our project "Arpan" at the said location on 25/11/19 which may take some more days from your side to get installed.

So, I am hereby requesting you to arrange common service connection at lower load for our under construction project so that we can complete our project on time as we have executed agreement for sale with intending buyers finding the timeline may lead to legal disputes. We also assure you to apply individual meter for flat owners after installation of transformer.

Thanking you

Yours faithfully  
Sudip Ghosh

Note: One photocopy of money receipt of payment of quotation as per WBSEDCL procedure is annexed herewith.
