ITR DECLARATION

Respected Sir,

This is to hereby declare that I have recently started my own real estate business and want to register myself as a real estate agent under the West Bengal Housing Industry Regulatory Authority (WBHIRA).

However since my real estate business is relatively new, I request you to kindly exempt me from producing to you ITR for three consecutive years.

I have submitted ITR for financial year 2019-2020.

It is my humble request to support me and consider the same.

Thanks & Regards,

Vincent Arup Rozario
