Subject: Agent Registration for an Individual

Dear Sir/Madam,

The Agent Application form requires my income tax returns for the last three financial years. I am 22 years old and already have a valid PAN number.

However, I have not filed my last three years income tax returns since it is not mandatory to file returns which are not taxable. Feel free to let me know if there are any other documents that could assist you in the process.

I am looking forward to a bright career as an agent in real-estate and need your support to move further. Kindly grant me permission along with a valid license.

Thanking you,
