

Sir,

I Ashis Das, date of birth 28th October 1979. Son of Late Amar Chandra Das, my PAN no is AIBPD2412J.

I want to inform you that my picture on that card got hazy as it was made at the year 2003, and I changed my signature too. So it might be different from the signature I have done on my pan card at 2003.

So, it will be kind enough if you grant my application and take further steps in favour of me soon.

Thanking you.
