

TO WHOMSOEVER IT MAY CONCERN

This is to declare that my income was below taxable limit in the last 3 financial years, i.e., 2017-18, 2018-19 and 2019-20.

Hence I have not filed income tax return for the above period. However, my current financial

year income (2020-21) is likely to be above taxable limit, hence we shall be filing the

Income tax Return for financial year 2020-21

within due date.
