Sub: Our clarification for the NOC towards Airport & Pollution.

Dear Sir,

In regard to the G+9 Storied Residential Project at R.S. Dag No. – 380(P), 382(P), 383(P), 384(P), Mouza - Naoabad, J.L.No. - 19, L.R.Khatian No. 247, 123, 605, 648, 298, 207, 683, 413, 630, 697, 75, 563, 143, 345, 661, 119, 662, 558, P.S. – Bishnupur, P.O. – Rasapunja, Dist.- 24 Parganas (South) Under Rasapunja Gram Panchayet, we hereby inform you that as per the official Survey as received from the GSI Department, Govt. of India, it has been confirmed from the CCZM Map that our project is been placed in the no height restriction zone. So the NOC from the Airport Authority of India is not applicable in our case. In view of the above, we also confirm that our project does not come under the purview of Pollution Control Board as our project is below 20,000 Sq. Mtr.

Hope this would clarify your doubts & confusion in regard to the NOC from the aforesaid Department. Please feel free to get in touch with us for any further clarifications.

Thanking you

Yours truly
