sir,

I wish to inform you that we have already paid 95% amount for purchasing of above mentioned flat and now we have received a letter of demanding final payment i.e rest of 5% amount for possession of said property from your end.
But as per Bank rule (for your kind information we have purchased said property under staff housing loan scheme of Syndicate bank Chandannagar Branch) the final disbursement i.e rest of amount will be disbursed only when the date of registration will be arranged and on that schedule date bank will pay the final amount to the vendor.

So we request you to inform us the date of registration so that we will be able to arrange the final disbursement and as per legal point of view more than 3 months over, the financier syndicate bank already disbursed 95% of amount and registration to be done on immediate basics otherwise the financier can take legal action but as it is a staff housing loan so my organisation request me to do final procedure on immediate basics.
Please do as needful at your end

Thanking you
