Dear Phase - II Owners,

This refers to your mail of 9th August to the EGV PM, suggesting a face to face meeting between the EGV office bearers and residents of the towers of Phase - II for a proper introduction. We earnestly regret the delay in our response as Mr. Satish Puri was on leave and out of station.

We would be more than happy to meet you all at 11-30 am on 28th August, the date suggested by you for the said meeting and look forward to the opportunity of welcoming you all and discussing any issues in a positive manner to make your stay in the EGV complex a comfortable and memorable one.

Regards
N Nagpal
