Respected Sir,

We, Mrs. Ruma Chowdhury and Miss Pallavi Chowdhury were allotted to flat no 38.3.(a) in the Malabar Residency through the MOU dated 17 Aug 2017. For some unwarranted situation we were getting shifted to Royal Enclave. We don't have any objection on such shifting of allotment, considering the fact that the new allotment would be made as per the amount charged previously for the squarefeet basis, that is more or less Rs-2025/sqft. We were agreed that the total cost for the amenities for lifetime will be Rs. 1,50,000/- and it should be charged for one time.

Thanking you.
