Dear Shobhit,

Kindly refer the email below. I would request you to kindly refund our money as soon as possible. Please let me know a date and time when we should collect the cheque. Every day you delay is costing you more.

If you would like me to approach someone else within Shristi, please provide the name, email address and phone number and I will take it up with the concerned person.

Thank you for your help and co-operation,

**Subject:** Refund delay .....

Dear Shobhit,

Hope you are doing well. It was good to meet you along with Ash and Aditya in Westin Kolkata on September 25th, 2019. In that meeting you and Ash agreed to refund us our money for Flat 3C/1 in wing C, 3rd floor of Westin residential tower within two weeks. It has been two months since then and you have yet not made the payment. Every day you delay, you incur more penalty.

Kindly email me and tell me the date and time when I should come and collect the cheque.
