Hi Mr Naskar,

First of all thanks for giving update after 1 year of stopping the project.

All this valid questions raised by Mr .Sanjeev needs to be answered on priority. We would request you please arrange a meeting with builders to address customer query.

We are quite sure you guys already evaluated this project future prospects. If you feel u guys can't run this project please refund the money with applicable interest rate. **Please don't test our patience**

No more sweet promises need detailed action plan.

On your covid 19 excuse. We want to understand Lockdown started in Mar'20 how come u guys stop the project from Aug'19 (6 months prior to pandemic). Have u guys anticipated the pandemic in the month Aug'19?

Even if we take this excuses other builders already started their respective project. Why prana project still halted?

Expect to get revert in next 24 Hrs.

Regards,

Payadhi Saha
