Dear Mr. Anuj,
Greetings!

This is with regards to My Flat 2D "F" Block Ideal Aqua View, Please note this flat was supposed to be completed and handed over in June '17 but still, it is not completed and certainly it will not get completed before mid-2020, Due to which I am facing a serious financial problem with Bank as well as in my family too.

On that note, I would like to cancel My booking with immediate effect and request you to refund my payment along with Intrest towards the project delay at your earliest so that I can pay off my liability with the bank.

Your swift response to the above will be highly appreciated.

Best Regards
