Dear Sir/Madam,
I have submitted three sets of TPA along with a copy of sanction letter of my loan and formal application on 10.1.2015 by hand at your office in Anandalok building. I had previously requested for the NOC by courier but it remained unanswered. Today I visited your office at Anandalok building and was informed that the TPA has not been finalized yet. Since this will be required for disbursement of Loan by the Loan sanctioning authority (LIC HF) towards my first installment for which the last date is 22.1.2015, the delay in getting the TPA will result in my inability to make payment of the 1st installment within 22.1.2015. In that case I shall not be held to be defaulter and no interest must be charged on the outstanding amount not paid within 22.1.2015. Also I shall request you to give me reasonable time for processing of the disbursement after the TPA is finalised.

Regards,
