Sir,

Under instruction from and on behalf of my above named client I would like to write you as follows :-

You are well aware that two separate agreements, both dated 10th October, 2014, for purchasing of two separate plots of land at the proposed project “Kalyani City Enclave” have already been cancelled vide letter dated 25/03/2019 issued on behalf of my client. That even after receiving the cancellation letters you are issuing letters one after another addressed to my client which contains not only the false allegations against my client but also cancellation of agreement everything has come to an end and hereby you are requested to restrain yourself from issuing such letter to my client.

Thanking you

Yours faithfully,
