Dear Cancun Team,

May I know the timeline to refund my money?

I have been hearing these kind of commitments since January 2018, for almost two years now. Pradeep Dey, Kishnau Viswas, and other team members have committed several times earlier, however I have not received even a single penny of my hard earned money till date.

What kind of organization you are? I have not received even a single penny of my hard earned money for over past 4 years. Its been over 18 months since I cancelled my booking. I have written 100s of emails, called you 1000s of times, sent my family friends to meet in person but nothing deterred you keeping me struggling with my finances. Are you all dead ??

Refund my money. My cancellation was on 18-Jan-2018. Its been painful and embarrassing time all these months. You will have to bear heavily if not done this month.

Hi **Cancun** Team, CEO,

It has been over 7 months since I signed the cancellation form for my duplex flat for the Skylark Project. However, I have not received even a single installment of the refund amount nor any acknowledgment on the refund schedule from your side. The then CEO Mr. Sanjeet Ghosh had committed to 50% of the payment within 6 months which I do not see happening.

I have been calling and sending emails over and again with no response. This is height of unprofessional behavior from a reputed brand like yours. I had invested in **Cancun** with trust factor which seems to be no more. I am highly disappointed and request you to refund my entire amount at the earliest.

I am sending my brother Mr. Bishwambhar in person and request you to hand over the hard-copy of the signed cancellation form and give a concrete plan on the refund schedule of my entire amount.

Dear Pradeep,

As per your previous email, you had mentioned the payment to start from December 2018. Prior to that you and Mr. Biswas had assured of payment post Durga Puja. And now it is January 2019. Next time you will tell February and so on. I have heard multiple fake and hollow commitments from you and your team over the year. Extremely pathetic and unprofessional response. **This proposal is purely unacceptable.**

As per today's discussion, 50% of my entire amount was to be disbursed in December 2018 and the entire amount in total 3 installments (by February 2018) Further your email is vague and lacks clarity. You have not mentioned the total amount plus exact date of disbursement. I request you to provide details of total refund amount details with date of disbursement in the below format:

Total Refund Amount

Dear Sir,

This is with reference to my previous chain of email requests regarding cancellation of my booking in the overly delayed Skylark Project.

I am extremely disappointed to mention the unprofessionalism shown by Cancun team in responding to my emails. I did not receive even a single email, not even the acknowledgment one from either your marketing or back office team. This tells a lot about how you care for your Customers.

I had booked a 3 BHK Duplex in September 2015 and was promised I will be handed over the completed apartment in the first quarter of 2018. By no means I see this happening. **I have lost all the faith and trust in your project.** I have been paying hefty rents over past several months. Because of this extreme delay from your side, I cannot incur any further loss and am looking for a ready-to-move in flat by the time promised (March-2018).

As such I request you to cancel my Booking and refund my total amount asap.

Looking forward to a response from your side asap.

Thank you for the response. However, your email does not provide clear details of the cancellation cum refund process.

As a customer for over 2 years, I did not receive any support from Cancun group. During the entire period, I did not receive regular updates on the project progress despite multiple reminders. Further at times there was no clarity nor even any point of contact. Ranik Das (Ratan) with whom I had signed the agreement suddenly disappeared and inspite of calling umpteen times, no one responded to my calls.
