Subject: - Refund of Application Money.
Form no- 5728

Respected Sir, I Santipada Dixit applied for a flat 5728 in solaris project by lucky draw. My form no is 5278 and application money is Rs 1,00,000/- (one lakh). Although I got a flat by lucky draw but unfortunately I am not able to take this flat due to following reasons:-

1) My mother is very ill she is depended upon me. she needs neuro surgery, various types of medicine and medical test immediately which is very costly. That's why this amount Rs - 1,00,000/- (one lakh) is very essential for my mother treatment. prescription & test copy is enclosed here.

2) Now my Rayati purchased land is going to Khair land (Benelone) The S.D.L.R.O filed a Court Case (Case no 203 of 2017) against my land. I came to know on September-2017. This Court Case is very expensive and stressable for me. Case copy enclosed.

3) one more important reason that my father has expired before few days back which is very painful. He expired without any ^{property} settlement. Some other reasons also there.

All this above reasons my mental condition is very bad hampering peaceful life. Now a days I am living in very depression mood. That's why this amount Rs 1,00,000/- (one lakh) is very important and essential to me. I am giving application along with all document. I am requesting you please refund this amount Rs 1,00,000/- (one lakh) to me for my necessity.

So kindly do this work in favour of me.

Yours faithfully,

Thanking you.

Santipada Dixit
