Sub : Servants Quarter in respect of Flat No. D2-603 at Emami City

Dear Sir/Madam

Please refer to your mail dated 05.01.2020 in connection with refund of amount paid for servant quarter which is not in line with the accepted application for dwelling of servant by allotting servant quarter .

It is evident from past activities on your part that you have not taken up the project seriously as committed and regular new if & buts are being raised which is always against the buyers interest.

Before going for your action in refunding the amount, you should provide the suitable dwelling for our servants in the project for which we have invested since 2011.

You are therefore requested to provide for a suitable remedy for it before taking up further in this regard being conducted at your will.

Yours faithfully,

(SANJEEV JHUNJHUNWALA)
