Subject: Registration of my apartment at Hiland Greens Tower 35, Flat 13A3

Dear Sir,

It seems that the contact person for Registration keeps on changing. I have been following up with many persons in Hiland for registration of my flat but every time person is changed.

Now I understand that registration will not start before Jun-July'19, which is very unfortunate as I have taken possession for more than a year. I have also paid registration money in advance for which I was communicated that 12% interest p.a. will be paid. However, I have not been paid anything even after two years.

Please understand my concern and tell me clearly in writing registration date of my flat. If the registration date is beyond June 19, please return the registration money with interest.

Yours Sincerely,

Asit Kumar Basak
